Record of Town Meetings

Meeting of March 12, 1928

Meeting called to order at 7:35 o'clock P. M. by Moderator Eaton, who read call for the meeting.

On motion by E. H. Morton

Voted: That further reading of the warrant, with exception of the Constable's return, be dispensed with.

Constable's return read.

ARTICLE 1

Article 1. To act upon the reports of town officers as published.

Motion by E. H. Morton

Voted: That reports of Town Officers as printed be accepted and laid upon the table.

ARTICLE 2

Article 2. To choose all Town Officers not required to be chosen by ballot.

On motion by C. F. Young

Voted: That a committee of five be appointed to bring in nominations for all Town Officers not required to be chosen by ballot.

ARTICLE 3

Article 3. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning January 1, 1928, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year.

On motion by A. H. Boardman

Voted: That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1928 in anticipation of the revenue of the financial year beginning January 1, 1928, and to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1928.

ARTICLE 4

Article 4. To determine how much money the town will raise and appropriate for General Government, Protection of Persons and Property, Health and Sanitation, Highways, Charities and Soldiers' Benefits, Education, Recreation and Unclassified Public Service Enterprises, Interest and Maturing Debt.

On motion by C. F. Young

Voted: That appropriations under this article be taken up separately.

Motion by Finance Committee

Voted: That the town raise and appropriate the sum of \$28,295.00 to be apportioned as follows:

Moderator's Salary	\$25.00
Salaries of Selectmen	500.00
Selectmen's Expenses	
1926 Unpaid Bills	52.00
1927 Unpaid Bills	52.00
1928 Expenses	446.00
Accounting Department	4,050.00
Salary of Treasurer	1,000.00
Expenses of Treasurer	1,100.00
Salary of Collector	1,000.00
Expenses of Collector	1,320.00
Salaries of Assessors	2,900.00
Assessors' Expenses	4,600.00
Legal Department	1,500.00
Salary of Town Clerk	500.00
Vital Statistics	150.00
Town Clerk's Expenses	1,000.00
Election and Registration	2,100.00
Town Hall Account	6,000.00

On motion by C. F. Young

Voted: That appropriations for Police Department, Fire Department, Health Department and Public Welfare Department be considered separately.

PROTECTION OF PERSONS AND PROPERTY

Police Department

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$42,400.00 apportioned as follows:

Unpaid Bills 1927	\$1,053.74
Expenses 1928 including purchase of ambulance	41,346.26

Fire Department

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$55,197.00, this sum to include the purchase of Aerial Ladder Truck.

An amendment by Perley Walton to reduce the amount in the sum of \$5,000.00 was lost.

On motion by Finance Committee.

Voted: That for the balance of items under this heading the Town raise and appropriate the sum of \$24,725.00 to be apportioned as follows:

Hydrant Rental	\$7,775.00
Forest Warden	150.00
Inspector of Wires	300.00
Fire Alarm	2,700.00
Moth Department	9,000.00
Sealer of Weights and Measures	950.00
Salary Inspector of Buildings	1,000.00
Allowance for Auto	200.00
Inspector of Animals	200.00
Dog Officer	400.00
Game Warden	50.00
Compensation Account	2,000.00

HEALTH DEPARTMENT

On motion by Finance Committee.

Voted: That the Town raise and appropriate for Board of Health Salaries the sum of \$300.00.

On motion by Finance Committee.

Voted: That the Town raise and appropriate the sum of \$7,000.00 for department expenses.

On motion by Finance Committee.

Voted: That the Town raise and appropriate the sum of \$900.00 for care of dumps.

Motion by Finance Committee

That the Town raise and appropriate the sum of \$4,300.00 for the Collection of Garbage.

On motion by J. T. Stringer

Voted: That Article 34 be taken up in conjunction with this item.

Article 34. To see if the Town will instruct the Board of Health to submit the Garbage Collection to competitive bid and grant same to the lowest qualified bidder.—John T. Stringer and others.

After an extended discussion the motion of Finance Committee was voted in the affirmative.

No action was taken on Article 34.

HIGHWAYS

ARTICLE 24

Article 24. To see if the Town will vote to widen, relocate, and rebuild Oak Street from Main Street to Oak Avenue or what they will do about it.—John J. Round and others.

Voted: That Article 24 be taken up in conjunction with the Highway appropriation.

Motion by Finance Committee

That the Town raise and appropriate the sum of \$116,000.00 to be apportioned as follows:

General Highways	\$105,000.00
------------------	--------------

Article 14. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Cyrus Street.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town, accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Cyrus Street.)

ARTICLE 15

Article 15. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Bancroft Avenue.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Bancroft Avenue.)

ARTICLE 16.

Article 16. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Sherman Road.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Sherman Road.)

ARTICLE 17

Article 17. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Lakeview Avenue.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Lakeview Avenue.)

ARTICLE 18

Article 18. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Morgan Avenue.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Morgan Avenue.)

ARTICLE 19

Article 19. To hear and act upon a report of the Selectmen laying out a town way under the Betterment Act, in substantially the location of the private way known as Tamworth Hill Avenue.—Board of Selectmen.

On motion by Mr. Clemons

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said Article. (Tamworth Hill Avenue).

ARTICLE 20

Motion by C. B. Dinan

That upon the adjournment of this session of the Town Meeting, the meeting shall adjourn to Wednesday, April 11, 1928 at 4 P. M. in the Town Hall for the purpose of voting "Yes" or "No" on the following question which shall be printed on a ballot prepared by the Town Clerk. Polls to be open from 4 P. M. to 9 P. M.

"Shall the Selectmen be instructed and authorized to petition the General Court to incorporate the inhabitants of the Town of Wakefield into a body corporate and politic under the name of the City of Wakefield. The form of Charter to be determined by the Selectmen. The Australian system of balloting to be used."

Amendment by L. P. Jordan, that the meeting further adjourn to Monday evening, April 16th, at 7:30 o'clock P. M.

Amendment carried, and original motion as amended was then voted.

The Moderator was authorized by the meeting to employ the election officers to assist in taking the above vote.

The principal speakers on the above question were; C. B. Dinan, L. P. Jordan, W. C. Robbins, E. H. Morton, C. F. Young, E. N. Pike, Marcus Beebe, J. B. Sawyer, T. G. O'Connell, R. P. Dellinger, P. J. Daley.

ARTICLE 1

On motion by C. F. Young that Article 1 be taken up was lost.

On motion by Frank P. Wakefield

Voted: That this meeting stand adjourned.

Adjourned at 9:50 o'clock P. M.

Attendance 650.

ADJOURNED TOWN MEETING, APRIL 11, 1928

Pursuant to the vote of the Town on April 2nd, ballots were prepared and the necessary steps taken for the Referendum vote under Article 20. Polls were declared open at 4 o'clock P. M. by Moderator Eaton.

Voting proceeded until 9 P. M. when the polls were declared closed.

Ballots were counted by the Moderator and Town Clerk with the assistance of Election Officers.

Ballot boxes were inspected and found empty with registers at zero.

At close of polls the record of ballot boxes and check lists was as follows:

Ballot Box—Precinct 1A	976
Ballot Box—Precinct 1B	780
Ballot Box—Precinct 2	653
Ballot Box—Precinct 3	926
Gate Check List—Precinct 1A	998
Gate Check List Precinct 1B	780
Gate Check List Precinct 2	653
Gate Check List —Precinct 3	926
Box Check List—Precinct 1A	998
Box Check List—Precinct 1B	780
Box Check List—Precinct 2	653
Box Check List—Precinct 3	926
Total number of ballots cast	3357
“Yes”—1377	“No”—1971
	Blank 9

ADJOURNED TOWN MEETING, APRIL 16, 1928

Meeting called to order at 7:32 o'clock P. M. by Moderator Eaton. Article 21 being in order.

ARTICLE 21

Article 21. To see if the Town will authorize and instruct the Park Department to take jurisdiction and control over the triangular plot of land at the junction of Franklin and Nahant Streets for Park purposes.—Board of Selectmen.

No motion being made under this article the same was passed.

ARTICLE 22

Article 22. To raise and appropriate the sum of \$900 to be used for the Fourth of July celebration.—Board of Selectmen.

Motion by Finance Committee

That the Town raise and appropriate the sum of \$800 and that the Moderator appoint a committee of five to carry out the purposes of Article 22.

A motion by Mr. Wakefield to indefinitely postpone was lost.

Motion by Finance Committee was then voted.

ARTICLE 23

Article 23. To see if the Town will vote to buy for school purposes, a lot of land without the buildings, on Pleasant Street, north of the Hurd School property, it being Lot 6, Plan 15, of the Assessors of the Town of Wakefield. Said lot is about 82 feet on Pleasant Street by 150 feet deep; and raise and appropriate money therefor or see what the Town will do about it.—R. G. Whittet and others.

On motion by Finance Committee, it was unanimously voted: That the Town accept from Mr. Junius Beebe a gift of a strip of land next north of the Hurd School, approximately 15 feet on Pleasant Street by 160 feet deep; and that the Town express to Mr. Beebe their thanks for the gift of the land and their appreciation of his continued interest in the educational welfare of the Town.

On motion by Mr. Allman

That a committee of five be appointed by the Moderator, three of whom, shall be members of the School Committee, to consider the purchase of land north of the Hurd School.

ARTICLES 24 AND 25

Article 25. To see if the Town will appropriate a sufficient sum of money to carry out the work as set forth in the preceding article and authorize the Treasurer, with the approval of the Board of Selectmen, to borrow such an amount as may be appropriated under this article and issue the notes of the town therefor.—John J. Round and others.

These articles were considered in conjunction with Article 4.

ARTICLE 26

Article 26. To see if the Town will vote to amend Sec. 2 of Chapter 9 of the Town By-Laws by striking out the words—"Without first obtaining a license therefor from the Selectmen upon payment of a fee of five dollars."—James J. Devlin and others.

On motion by Theodore Whitney

Voted that Section 2 of Chapter 9 of the Town By-Laws be amended by striking out the words—"Without first obtaining a license therefor from the Selectmen upon payment of a fee of five dollars.

ARTICLE 27

Article 27. To see if the Town will authorize the Municipal Light Department to transfer from its operation fund to its construction fund the sum of \$40,863.86, which was the cash balance in the operation fund as of December 31, 1927.—Municipal Light Commissioners.

On motion by Finance Committee

Voted: That the Town authorize the Municipal Light Department to transfer from its Operating Account to its Construction Account the sum of \$40,863.86.

ARTICLE 28

Article 28. To see if the Town will vote to appropriate the sum of \$500 and authorize the Selectmen to expend same, in full or in part, for fee of joint counsel in the protests against the erection of high tension power lines through Wakefield and several towns in Essex County.—Board of Selectmen.

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$500 to carry out the purposes of Article 28.

ARTICLE 21

Voted that Article 21 be taken up.

On motion by Thomas F. Kenney

Voted: That the Town authorize and instruct the Park Department to take jurisdiction and control over the triangular plot of land at the junction of Franklin and Nahant Streets for Park purposes.

ARTICLE 29

Article 29. To see if the Town will raise and appropriate the sum of Ten Thousand Dollars for the purpose of carrying out the provisions of Chapter 249 of the Acts of the Legislature of the Commonwealth for the year 1906; being an Act to enable the Town of Wakefield to improve the surface ground drainage and protect the public health, or what it will do about it.—John J. Butler and others.

Motion by Finance Committee

That the subject matter of Article 29 be referred to the Board of Selectmen to report at the next annual town meeting.

Amendment by Theodore Whitney

That \$1,000 be raised and appropriated for engineering services in connection with report.

Amendment carried and original motion as amended then voted.

ARTICLE 30

Article 30. To see if the Town will raise and appropriate the sum of \$1,800 for the purpose of improving the condition of Lake Quannapowitt.—Wakefield Water and Sewerage Board.

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$1,600 to carry out the purposes of Article 30.

ARTICLE 31

Article 31. To see if the Town will authorize the Water and Sewerage Board to construct sewers in the following streets: In Highland Avenue from Gould Street westerly approximately 480 feet. In Valley Street from Vinton Street (so-called) southeasterly approximately 550 feet. In Cyrus Street from Water Street to Bancroft Avenue approximately 550 feet. In Bancroft Avenue from Wakefield Avenue to Cyrus Street approximately 420 ft., and raise and appropriate the sum of \$1700 therefor, and in addition to the foregoing sums, to appropriate for the aforesaid purposes the unexpended balance of the 1927 Low Level Sewer Account, and also the unexpended balance of the 1927 Greenwood Sewer Account.—Wakefield Water and Sewerage Board.

On motion by Finance Committee

Voted: That the Water and Sewerage Board be authorized to construct sewers as proposed under Article 31 and that the Town raise and appropriate the sum of \$1,700 and appropriate the sum of \$6,429.96, the unexpended balance of the 1927 Greenwood Sewer Account and appropriate the sum of \$1,155.45, the unexpended balance of the 1927 Low Level Sewer Account to carry out the purposes of Article 31.

ARTICLE 32

Article 32. To see if the town will vote to purchase the southern half of lot No. 49, Plat No. 20, of the Assessors' plans, comprising approximately 18,500 square feet, at present owned by John W. Martin, bordering on the shores of Crystal Lake.—Wakefield Water and Sewerage Board.

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$500 to carry out the purposes of Article 32.

ARTICLE 33

Article 33. To see if the Town will raise and appropriate the sum of \$75 and interest from date of loss, to re-imburse James E. McManius for loss of a horse injured by falling into a hole in the highway on Pleasant Street in June, 1916.—James E. McManius.

On motion by Finance Committee

Voted: That the subject matter of this article be indefinitely postponed.

ARTICLE 35

Article 35. To see if the Town will raise and appropriate a sufficient sum of money to acquire land for a playground in the Water Street district.—Michael A. Sibelli and others.

On motion by Finance Committee

Voted: That the Town raise and appropriate the sum of \$1,500 to carry out the purposes of Article 35, to be expended by the Board of Selectmen with the approval of the Planning Board and Recreation Commission.

ARTICLE 36

Article 36. To hear and act upon a report of the Committee appointed under Article 32 of the warrant for the Annual Town Meeting in 1924, for the purpose of revising the Town By-Laws, especially those called Building Laws, and to see if the Town will vote to repeal the present building by-laws contained in Chapter 11 of the Town By-Laws and adopt in place thereof a new set of Building By-Laws as recommended by said committee or what it will do about it.—Board of Selectmen.

Mr. Theodore Whitney presented the report for the Committee and offered the Building By-Laws as printed as a part of the report.

On motion by Mr. Clemons as amended by Mr. Robbins.

Voted: That the report of the Committee be accepted and a vote of thanks be extended to its members.

On motion by Mr. Whitney, it was unanimously voted: That the By-Laws of the Town of Wakefield be and are hereby amended by striking out and repealing Chapter 11 thereof, and by substituting in place hereof the following new "Chapter 11" Building Laws.

Article 1 to 18 inclusive, to read as per committee's report.

ARTICLE 33

On motion by Mr. Kenney.

Voted: That Article 33 be taken up.

On motion by Mr. Kenney, that the vote to indefinitely postpone be reconsidered was lost. "Yes" 63—"No" 109.

On motion by Mr. Kenney

Voted: That this meeting be dissolved.

Adjourned at 9:02 o'clock. Attendance 250.

TOWN MEETING, AUGUST 27, 1928

Meeting called to order at 7:30 o'clock P. M. by Moderator Eaton who read the call for the meeting.

On motion by H. M. Dolbeare

Voted: The reading of remainder of the warrant be dispensed with.

ARTICLE 1

Article 1. To see if the Town will appropriate the sum of \$23,000.00 (the amount of free cash in the Treasury August 1st) to be used by the Assessors, as a credit against the tax levy of 1928.—Board of Selectmen.

On motion by Finance Committee

Voted: That the Town appropriate the sum of \$23,000 to be used by the Assessors as a credit against the tax levy of 1928.

ARTICLE 2

Article 2. To see if the Town will raise and appropriate the sum of \$6,000 for the use of the Public Welfare Dept., or what it will do about it.—Board of Public Welfare.

On motion by Finance Committee

Voted that the Town raise and appropriate the sum of \$6,000 for the use of the Public Welfare Department.

ARTICLE 3

Article 3. To see if the Town will raise and appropriate an additional sum of money for the legal department to be used in the settlement of claims.—Board of Selectmen.

Motion by Finance Committee

That the Town raise and appropriate the sum of \$400 for legal department account.

Amendment by Charles F. Young

That the figure \$400 be struck out and the figure \$525 be inserted in the place thereof, and the Selectmen be instructed to pay \$125, to James E. McManius for the loss of a horse.

Amendment carried—"Yes" 50—"No" 27.

Original motion as amended then voted.

ARTICLE 5

Article 5. To hear and act upon a report of the Selectmen laying out a town way between Renwick Road and Morgan Avenue and substantially in the location of the Private Way known as Pine Ridge Road.—Board of Selectmen.

Voted: That Article 5 be taken up.

On motion by J. Theodore Whitney

Voted: That the Town accept, allow and adopt the report of the Selectmen laying out said Way as set forth in said article. (Pine Ridge Road.)

ARTICLE 4

Article 4. To see if the Town will raise and appropriate \$4,500 additional for highway purposes.—Board of Selectmen.

Motion by Finance Committee

That the Town raise and appropriate \$4,500 for Highway purposes.

An amendment by James Murphy to increase the amount to \$10,000 was ruled out of order.

The motion as offered by Finance Committee was then voted.

Voted: That this meeting be now dissolved.

Adjourned at 8:23. Attendance 85.

Law Proposed by Initiative Petition

Shall the proposed law which provides that it shall be lawful in any city which accepts the act by vote of its city council and in any town which accepts the act by vote of its inhabitants, to take part in or witness any athletic outdoor sport or game, except horse racing, automobile racing, boxing or hunting with firearms on the Lord's Day between 2 and 6 P. M.; that such sports or games shall take place on such playgrounds, parks or other places as may be designated in a license issued by certain licensing authorities; that no sport or game shall be permitted in a place other than a public playground or park within one thousand feet of any regular place of worship; that the charging of admission fees or the taking of collections or the receiving of remuneration by any person in charge of or participating in any such sport or game shall not be prohibited; that the license may be revoked; and that in cities and towns in which amateur sports or games are permitted under existing law such amateur sports or games may be held until the proposed law is accepted or the provisions of the existing law fail of acceptance on resubmission to the people, which law was disapproved in the Senate by a vote of 9 in the affirmative and 22 in the negative and in the House of Representatives by a vote of 93 in the affirmative and 110 in the negative, be approved?

Dance Hall—H. J. Hill.

Second Hand Dealers—Felix Goldberg.

Gasoline Arm—Main Street Chevrolet.

Taxi Badge—Edith A. Stanwood.

JUNK LICENSES

Louis Levine, Israel Horovitz, Hyman Barron.

The Chairman appointed the entire Board as the Committees on Police and Fire Departments, Town Hall, Highway and Licenses. The Chairman continued as a Committee of One to handle Soldiers' Relief.

The Selectmen purchased, after receiving authorization of the Annual Town Meeting, a Seagrave Aerial Ladder Truck, and it was placed into service early in December. The sum of \$15,000 was paid for the new piece of apparatus and \$1,600 was given as allowance for the old ladder truck, which was fifteen years old. The Fire Department is now very well equipped to combat fires and is more modern than many of the larger municipalities in the Commonwealth. We recommend that the Town accept the recommendation of the Chief of the Department that two "spare men" be employed during the vacation period. In adopting this recommendation, it will not be necessary to add a permanent man to care for the operation of the new ladder truck. We believe that it will be necessary to replace the present combination at Greenwood within the next year or so.

The Board has purchased a new police ambulance, in accordance with instructions of the Annual Town Meeting. This machine is thoroughly equipped for the safety and convenience of its passengers. It is an absolute necessity in the community.

We recommend the purchase of a new police car to replace the present one, which has been in constant use since April, 1924.

The Selectmen requested the Civil Service Commission to conduct an examination for the position of sergeant in the Police Department, at the solicitation of the Chief. The examinations were held and a certified list of successful applicants has been submitted by the Commission. We recommend the appointment of two sergeants and one additional patrolman in the interests of greater efficiency in the Department. This will mean the addition of one man to the Department.

The past year witnessed the installation of the first traffic signal in the Town, located at Vernon and Lowell streets. This corner, with the permission of the County Commissioners, was widened and is no longer considered dangerous, having been the scene of several accidents in recent years. The traffic signals were erected with the kind co-operation of the Municipal Light Board.

The Selectmen have taken steps to install traffic signals at the intersections on West Chestnut Street, at Emerson and Cedar streets, and suggest that consideration be given by the incoming Board to the intersections at Albion and Main Streets, Main and Water streets and Oak and Main streets.

We are recommending to the Town that, providing financial assistance can be obtained from the State and County, Albion street from Byron street to the Stoneham line, be rebuilt, and thus finish the construction project commenced a few years ago.

The Board recommends, providing financial assistance can be obtained as previously stated, that the dangerous curve be eliminated on Lowell street, between Main and Vernon streets. This should be done to prevent further accidents at this section of the road.

The Board also recommends that Salem street, at the Lynnfield town line, be rebuilt, providing State and County aid is given. This stretch of the road has sunk and is in very dangerous condition.

Although the Highway Superintendent has covered the work of that department in detail, we desire to discuss here the Oak street widening, for which the Town appropriated \$8,000. The County Commissioners, after several hearings, awarded damages to abutters in the amount of \$2,100. and gave authority to widen the street to 55 feet from Main Street to Francis avenue, and 40 feet from this point to Green Street. The Highway Department was unable to complete the work this year for several reasons, the principal ones being insufficient money and the proposed extension of the sewer from Main street to a point opposite the Fire Station. The

Board intends to rebuild the street as far as Oak Street and Francis avenue the coming year. We believe that this widening should be extended to Nahant street within the next few years, and when completed, much of the heavy traffic on Main Street via Wakefield Square, to Newburyport turnpike, will be diverted through improved Oak street.

We recommend that plans be made for the reconstruction of Albion street from Main street to North avenue, and the elimination of one set of car tracks. We are of the opinion that the merchants suffer financial losses because of the present crowded traffic conditions on this street. Albion street is in the business center of the Town and entitled to primary consideration by the Town. It will be necessary to reset the water and gas mains, undoubtedly, and perhaps the sewer. We would recommend that all overhead wires be placed underground. Inasmuch as this improvement will no doubt be very expensive, we recommend that the Town create a bond issue for the purpose of carrying out the same.

In accordance with the General Laws of the Commonwealth, the Reading and Lynnfield town lines were perambulated this year. The law requires that these lines be viewed once every five years.

In accordance with instructions of the Annual Meeting, the Selectmen employed Weston & Sampson, Engineers, in April, to conduct a drainage survey of the Town. The engineers were requested to advise the Board on how to proceed, so that the initial appropriation might bring about relief to those suffering the most and yet aid the general situation. This survey has been made and a very satisfactory report has been rendered. On account of numerous other important matters before the Board at the end of the fiscal year, the report was laid on the table until next year, when the engineers will be invited to confer with the Board, with a view of presenting a definite report to the Town at the Annual Meeting.

In the Fall of the year the Board of Selectmen, upon advice of the Highway Superintendent, closed the Linden street bridge, commonly known as the "Greenwood Bridge," as unsafe for vehicular traffic. Our action was approved by the County Commissioners. Members of the Board, with the Town Counsel, and Highway Superintendent, have been in conference with officials of the Boston & Maine Railroad and the County Commissioners, discussing the erection of a new bridge. The Board has consulted Morse & Dickinson, well known experts in this line, with a view to keeping down the expense of same to a minimum. As we approach the new year, the Board is still in conference with the above named parties, anticipating that a portion of the expense will be borne by the Railroad.

Improvements were made in the basement of the Town Hall under the direction of the Selectmen during the year, so that greater use may be made of it. Brick walls have been built around the boiler room, and another room that has been set aside for the liquor taken in police raids. The Board intends to set aside a section of the basement for the use of the

police in rifle practice. A cement floor has been laid throughout the cellar. It is proposed that the ceiling be covered with sheetrock, during the coming year.

In conclusion, we desire to express our sincere appreciation to the other Town Officers, who have co-operated with us during the year. The Board wishes to especially thank Mr. Harry A. Simonds, the Clerk, for the able assistance which he rendered during the year.

THOMAS F. KENNEY, *Chairman,*

NED C. LOUD, *Secretary,*

CHARLES F. YOUNG,

J. THEODORE WHITNEY,

WILLIAM BLANCHARD.

19th Annual Report of the Wakefield Water and Sewerage Board

The Wakefield Water and Sewerage Board presents herewith its annual report covering operations of the Department for the year ending December 31, 1928.

Detailed figures will be found in the report of the Town Accountant.

Receipts		<i>Expenditures</i>	
Water Rates	\$86,260.24	Maintenance	\$31,866.71
Services	4,061.46	Services	4,080.49
Construction	2,081.12	Construction	3,957.56

Turn ons	464.60	Construction Refunds	196.56
All Other	457.57	Bonds Retired	35,000.00
		Interest on Debt	12,276.25
		Purchase of Land	500.00
		Commissioners Salaries	300.00
			<hr/>
			\$88,177.57
		Credit Balance	5,147.42
			<hr/>
	<hr/>		<hr/>
	\$93,324.99		\$93,324.99

WATER FILTRATION PLANT

The Slow Sand Filtration Plant located on Broadway east of the Pumping Station, put in operation on February 9, 1928, at 9 P. M., has served to greatly improve the Town's water supply.

The grading and seeding of the grounds surrounding the filtration plant has made a very attractive spot.

The filtration plant is composed of two aerators which aerate the water before filtering. Each aerator has a capacity of 1,250,000 gallons per day. Also two slow-sand filters in which the aerated water is filtered through three feet of sea sand. Each filter has a capacity of 1,250,000 gallons per day.

PUMPING STATION

Pumps

One of the steam pumping engines installed in 1883 has been retained as a standby in the event of failure of electric power. The other steam pumping engine has been removed to make room for the new low-lift and high-lift motor driven centrifugal pumps. These pumps have a capacity of 1,750 gallons per minute each.

SWITCH BOARD

A new switch board has been installed in the pumping station, all the switches, circuit breakers and instruments for controlling the motors are mounted on this board.

VENTURI

A 16" x 8" Venturi meter with a capacity of eight million gallons per day has been installed in the station. This meter measures all the water pumped to the water system.

STAND PIPE ON HART'S HILL

In accordance with the vote of the Town under Article II of Town Warrant of July 11, 1927, a standpipe has been erected on Hart's Hill at the corner of Sidney Street and Upland Road on land purchased from The Surburban Land Company and A. E. Poore.

The stand-pipe was put into service on January 13, 1928, and has greatly increased the volume of water available for fire protection in all sections of the Town.

This stand-pipe is 47 feet in diameter and 50 feet high with a capacity of 638,575 gallons.

The ground surrounding the stand-pipe has been graded and seeded, also a concrete walk and steps have been constructed at the entrance to the grounds.

LAKE QUANNAPOWITT

During the year Lake Quannapowitt was given two treatments of copper sulphate, the first one on July 9, and the second one during the last week in August. The brook which forms the outlet from the lake has been cleaned and widened from the lake to Vernon Street, greatly improving the conditions in the swamp north of Lowell Street.

For the purpose of controlling the elevation of the water in the lake, a dam has been constructed at the outlet.

At the request of the State Fish and Game Commissioners, a fish ladder has been provided to allow fish from the brook to enter the lake at any time.

The Superintendent's report which follows gives in more detail, information as to construction, improvements, etc., which will be of interest to the Town.

H. M. TUTTLE,

S. F. ADAMS,

W. B. STANTIAL,

Commissioners.

SUPERINTENDENT'S REPORT

To the Water and Sewerage Board.

Gentlemen:

I respectfully submit the following report for the year ending December 31, 1928.

WATER EXTENSIONS

Morningside Road, 495 feet 6'' cast iron pipe from Prospect Street to Overlake Road.

Eustis Avenue, 200 feet 8'' cast iron pipe from dead end opposite house of E. Temple easterly to dead end opposite house of Nordberg, thus eliminating two bad dead ends.

Parker Road, 216 feet 8'' cast iron pipe from Outlook Road north to dead end.

Hopkins Street, 54 feet 6'' cast iron pipe from dead end north to Layton Avenue.

Lindbergh Road, 120 feet 6'' cast iron pipe from dead end east to present dead end.

Layton Avenue, 308 feet 6'' cast iron pipe from Hopkins Street easterly to dead end.

Aborn Avenue, 21 feet 6'' cast iron pipe from dead end to Pleasant Street, thus eliminating another troublesome dead end.

Pleasant Street, 200 feet 8'' cast iron pipe from dead end south to Aborn Avenue.

Gerard Street, 72 feet 6'' cast iron pipe from dead end north to house of H. Lovering.

Bowdlear Road, 177 feet 2'' galvanized iron pipe from Greenwood Street to house of Bowdlear.

Karl Road, 32 feet 2" galvanized iron pipe from dead end to present dead end.

Kingmont Street, 81 feet 1¼" galvanized iron pipe from Cross Street to dead end.

County Street, 130 feet 1¼" galvanized iron pipe from New Salem Street north to house of Hawkes.

RECONSTRUCTION

Brook Avenue, 365 feet 6" cast iron pipe from Water Street to dead end. This pipe replaces an old 2" pipe.

HYDRANTS

The following hydrants have been installed during the year.

Morningside Road corner Prospect Street.

Morningside Road corner Overlake Road.

Pleasant Street corner Aborn Avenue.

The following hydrants were relocated during the year.

Hydrant on Outlook Road opposite house of Covell moved to Parker Road corner of Outlook Road.

Hydrant on Main Street corner of Oak Street moved to Main Street opposite Greenwood Street.

Hydrant on Oak Street opposite Fire Station moved back 20 feet to conform with new curb line.

PERMANENT IMPROVEMENTS

A Dodge Coupe has been purchased to replace a Ford Roadster which was in service three years, also a Ford Roadster to replace a Ford Roadster that has served the Department over four years.

The shores of Crystal Lake have been cleaned up and the brush and hard wood trees cut back to a distance of twenty feet, greatly improving the conditions on the water shed.

CRYSTAL LAKE

Crystal Lake, Wakefield's water supply is at present 12.5 inches below high water mark.

LOW LEVEL SEWER SYSTEM

The low level sewer system has been in operation now almost two years and it thus far has given very satisfactory results.

SEWER MAINTENANCE

The entire sewer system was cleaned and brushed during the year. Also defective man-hole covers replaced.

SEWER CONNECTIONS

Applications for house connection to date	1442
Number of connections made	1342
Number of connections made during the year	75
Number of connections waiting	0

SEWER CONSTRUCTION

Highland Avenue, 475 feet of 8" tile sewer from Gould Street westerly to dead end.

Valley Street, 534 feet of 8" tile sewer from Vinton Street southerly to dead end.

Cyrus Street, 500 feet of 8" tile sewer from Water Street to Bancroft Avenue.

Bancroft Avenue, 150 feet of 8" tile sewer from Cyrus Street westerly to dead end, also on Bancroft Avenue, 285 feet of 8" tile sewer from Wakefield Avenue easterly to dead end.

In conclusion I wish to extend my sincere thanks to each and every member of the Department for his hearty co-operation in all emergencies.

I also extend my thanks to the heads and members of the various Town departments for their support and co-operation during the year.

Respectfully submitted,

MORRISON MERRILL,

Superintendent.

Report of Chief of Police

Wakefield, Mass., January 1, 1929.

To the Honorable Board of Selectmen.

Gentlemen:

I have the honor to submit to your Honorable Board, the report of the doings of the Police Department for the year ending December 31, 1928.

Number of arrests	550
Number of arrests on warrants	23
Number of summons served	97

MISCELLANEOUS REPORT

Amount of stolen property recovered	\$10,906.25
Amount of lost property recovered	37.57
Accidents reported	225
Burglary (false alarm)	1
Buildings found opened and secured	271
Broken wires reported	10
Complaints and cases investigated	697
Detail for public assemblages	483
Detail for private assemblages	135
Defects in street and sidewalks reported	58
Defects in gas pipes and reported	3
Defects in water pipes and reported	8
Defects in hydrants and reported	1
Dogs killed	7
Dead bodies cared for	10
Electric light poles blown down and reported	1
Fences blown down and reported	1
Fire extinguished without an alarm	1
Lost children cared for	27
Lost dogs found and returned to owners	13
Lanterns in dangerous places	64
Liquor search warrants served	3
Medical examiner cases	10
Officers at fires	59
Posting notices	50
Runaway boys cared for	1
Sick and disabled people assisted	20
Wires burning trees and reported	3
Water running to waste and reported	8

I have collected in non-support cases \$1,622.00 and this money I have paid out by check.

On duty calls 58,275.

Miles covered by the police car (Buick) 9.875.

Miles covered by the police Ambulance, 820.

Miles covered by the Motorcycles, 13,290.

During the past year a new Buick Ambulance was provided for this department and as put in operation, Thursday, May 24.

It is a credit to the Town of Wakefield, and it certainly is appreciated by the people who by reason of injury or sickness are obliged to use it. During the year we have been clear of Serious Crime and at this time I will say that we have as clean a Town as any in the State of Massachusetts.

DISCIPLINE

Has been very good and I want to thank the officers for the manner in which they have performed their duty.

RECOMMENDATIONS

During the year the Board of Selectmen selected one officer to attend the school which is conducted by Commissioner of Public Safety, at Boston, for a period of thirty-days at a very small expense, and I most earnestly ask that this be done each year.

CONCLUSION

In closing this report I wish to return my sincere thanks to the Honorable Board of Selectmen, for the interest manifested by them in all matters pertaining to this department during the past year.

To the various other departments and to each and every other person who have in any way assisted this department during the past year you have my sincere thanks.

Respectfully submitted,

JAMES J. POLLARD,

Chief of Police.

Report of Board of Health

The report of the Board of Health is herewith respectfully submitted. There were 646 cases of infectious disease for the year ending December 31, 1928. Classified as follows:

Pneumonia	23
Anterior Poliomyelitis	4
Chicken-Pox	22
Ophthalmia Neonatorum	1
Malaria	1
Measles	482
German Measles	2
Mumps	6
Scarlet Fever	42
Tuberculosis	16
Typhoid Fever	2
Whooping Cough	24
Syphilis	5
Gonorrhea	4
Septic Sore Throat	2
Lethargic Encephalitis	1
Diphtheria	9

The increase in the number over those of last year is chiefly due to the number of Measles cases.

Miss Russell made the following number of visits during the year:

Measles	233
Tuberculosis	295
Scarlet Fever	166
Anterior Poliomyelitis	20
Whooping Cough	11
Chicken-pox	7
Diphtheria	30
Ophthalmia Neonatorum	1
Typhoid Fever	13

The arrangement made with the Milk Inspector of Somerville for a monthly analysis of milk samples has proved satisfactory.

A nominal fee is now charged for all permits to do plumbing whether for alterations or new construction

The garbage collection has been carried out by the Welfare Department as for several years past, but at a reduced cost, the net cost for the past year being \$2,907.30.

Comparative few complaints have been received concerning the quality of service and these have received the immediate attention of the Superintendent of the Town Farm.

The next step contemplated in the extension of the low level sewer is the laying of a main to a point on Vernon Street, near Wave Avenue and this will be recommended this year.

Following the suggestion of the State Auditor in his report of a year ago, a number of improvements have been made in this Board's system of accounting.

The Board wishes to acknowledge its indebtedness to Mrs. Adelaide Boynton of the Welfare Department, who has made thirteen trips by automobile to Rutland on behalf of tuberculosis patients.

ERNEST E. TYZZER, M. D.,

CHARLES E. MONTAGUE, M. D.,

WESLEY S. GOODWIN.

Report of Plumbing Inspector

To the Wakefield Board of Health:

I herewith submit my report for the year ending December 31, 1928.

Number of permits granted	189
Number of fixtures installed	771

Divided as follows:

Bath tubs	145
Lavatories	142
Closets	168
Sinks	155
Wash Trays	161

Respectfully submitted,

DAVID TAGGART,

Inspector of Plumbing.

Report of Milk Inspector

To the Wakefield Board of Health.
Gentlemen:

I herewith submit my report as Milk Inspector for the year ending December 31, 1928.

Upon assuming office it was deemed expedient to make some changes in methods.

A new and more up to date set of records was established, as was also a new and better form of milk license.

Additional duties were performed in the capacity of authorized agent, to issue dealers and producers permits, as well as to license all pasteurization plants within the Town limits.

The milk analysis as carried on by Mr. H. E. Bowman, of the Somerville Board of Health Laboratories was of a careful and satisfactory order.

The Town is to be congratulated that its board has adopted this impartial method of milk analysis, which to my mind removes beyond doubt, any question of unfairness or impartiality on the part of the Board or the Milk Inspector.

In summary I do not hesitate to say, that in my opinion the milk sold and produced in the Town of Wakefield, will compare more than favorably with that of other communities the same size.

The co-operation accorded me by your Board as well as by the Milk Dealers and producers in general, has at all times been commendable, and deeply appreciated by me.

I would now call your attention to the following detail of records and accounts.

PERMITS ISSUED—NO FEE

Producers	11
Dealers	66
Total	77

LICENSES ISSUED

Milk—Retail—72 at 50 cents	\$36.00
Milk—Producers—25 at 50 cents	12.50
Oleomargerine—1 at 50 cents	.50
Oleomargerine—Reg. 21— at 50 cents	10.50
Ice Cream—4 at \$1.00	4.00
Pasteurization—1 at \$10.00	10.00
Total	\$73.50

Respectfully submitted,

LAWRENCE E. DOUCETT,

Milk Inspector.

Report of Slaughter House Inspector

To the Board of Health.

Gentlemen:

I herewith submit my report as Inspector of Slaughtering, for four months ending April 30, 1928.

There were 145 pigs, 2 cows, and 2 calves slaughtered. Three pigs condemned and disposed of

Respectfully submitted,

MEI VIN BROWN,

Inspector of Slaughtering.

To the members of the Board of Health.

Gentlemen:

I herewith submit my report for Slaughter House Inspector for eight months ending December 31, 1928.

There were 213 pigs, 2 cows, one calf slaughtered. Two pigs were condemned and disposed of.

Respectfully submitted,

ALMER CORBETT,

Inspector of Slaughtering.

Tuberculosis Dispensary Report

To the Wakefield Board of Health:

The annual report of the Tuberculosis Dispensary is herewith respectfully submitted.

We have examined at the dispensary at various intervals, patients discharged from sanatoria, contact cases, and suspicious cases of tuberculosis, and a number of underweight children. One hundred and twenty examinations were made of seventy patients. Sixteen new cases of tuberculosis were reported, six more than the number reported last year.

There were thirteen cases of tuberculosis sent to the different sanatoria. Five patients were admitted to Rutland State Sanatorium, three to North Reading, one to Lakeville, one to Westfield, one to the Veterans' Hospital in Rutland, and two to the State Infirmary in Tewksbury.

We have at the present time sixteen patients in the different institutions, seven at Rutland State Sanatorium, four at North Reading, one at Lakeville, one at Westfield, two at the Veterans' Bureau Hospital in Rutland, one at the Infirmary at Tewksbury. There were five deaths from tuberculosis during the year, this includes the deaths at the sanatoria.

Several suspicious cases who came to the dispensary to be examined were sent to North Reading for an X-Ray and Dr. Willoughby of North Reading Sanatorium also examined a number of suspicious cases for this dispensary.

We are again glad to take this opportunity to express our sincere gratitude to Mrs. Boynton of the Welfare Department for her assistance and co-operation during the past year.

I. W. RICHARDSON, M. D.,

Dispensary Physician.

NELLIE B. RUSSELL, R. N.,

Dispensary Nurse.

Report of Inspector of Buildings

Wakefield, Mass., January 1st, 1929.

To the Honorable Board of Selectmen.

Gentlemen:

I herewith respectfully submit my report for the year ending December 31st, 1928.

Number of building permits issued		274
Increase from 1927	74	
For the following purposes:		
Single Dwellings.....		82
Increase	18	
Two Family Dwellings		2
Increase	1	
Two Dwelling Buildings, 17 Apartments each		2
Increase	2

Amount of fees collected, \$230.43.

Respectfully submitted,

JAMES J. DEVLIN,

Sealer.

Report of Workmen's Compensation Agent

Wakefield, Mass., January 1st, 1929.

To the Honorable Board of Selectmen, Wakefield, Mass.

Gentlemen:

There have been twenty-two (22) employees injured during the past year who have received medical attendance.

Expense of same	\$469.75
Compensation paid to five (5) employees	1,522.50
Total Expenditures	\$1,992.25

A detailed statement of expenditures may be found in the Town Accountant's report.

- 12 employees injured Highway Department.
- 4 employees injured Sewer Department.
- 4 employees injured Water Department.
- 1 employee injured Moth Department.
- 1 employee injured Poor Farm.

1st Poor Farm case Broken elbow:

Compensation paid to date	\$825.73
Surgical and medical expense	270.80
	\$1,096.53

2nd case Sewer Department:

Settled by Town Counsel compromise, approved Compensation Board and Selectmen for a lump sum not to exceed \$1,100.00, cash \$650.00, and \$10.00 per week while living not to exceed \$450.00.

Two contested cases one of which hearings about completed and ready for arguments by counsel, the other pending.

Another case which was strongly contested for almost one year, involving expert testimony before Compensation Commissioner and then appealed to Compensation Board.

Verdict in favor of Town. On appeal verdict reaffirmed.

There have been many postponements, and hearings, which have taken much time and careful preparations.

These cases have been conscientiously and ably handled and much credit is due M. E. S. Clemons, Esq., Town Counsel for so well serving the Town.

Respectfully submitted,

FRANK J. HENKEL,

Compensation Agent.

Report of Town Counsel

Wakefield, January 14, 1929.

To the Honorable, the Board of Selectmen, of the Town of Wakefield.

Gentlemen:

As Town Counsel for the year 1928 I submit the following report:

There are pending against the Town three tort cases for damages alleged to have been caused by defects in highways.

Seven cases are also pending for alleged damages from gas poisoning; one gas case for \$5,000 was settled for \$350; and one for \$10,000 was settled for \$500 on the eve of trial.

Two cases for damages for takings and purchase of water tower site and a cross action to compel delivery of deeds were settled for \$1,307.14 and deeds for the property and an adjoining lot were delivered to the town.

The Russell case (removal of police officer) was finally disposed of by an adverse decision of the Supreme Court.

Collection by suit for the Water Department was made of \$250.

One workman's compensation case, after many days of trial and appeal was finally disposed of in the towns favor. \$4,000 was involved.

One similar case for a different injury after some hearings was settled for the lump sum of \$650.00 with a contingent further payment not to exceed \$450.00.

There are pending three workman's compensation cases. The report of the agent will probably make further reference to these matters, but I wish to call attention to the possible large amounts involved in each case, and generally from what appeared to be a trivial injury at the time, in some cases no record at all being available and the case brought a long time afterwards with a claim for intervening wages or special compensation.

Many titles have been examined, deeds drawn and takings made

More streets have been laid out in the past year than for many prior years and each lay-out involves under the new laws very extensive and careful consideration, especially if betterments are involved.

I believe the work of this department the past year has been double that of prior years.

Respectfully submitted,

M. E. S. CLEMONS,

Town Counsel.

Report of Dog Officer

To the Honorable Board of Selectmen.
Gentlemen:

I herewith submit my report for work as Dog Officer from March 16, 1928 to January 1, 1929.

Have answered 247 calls on various complaints.

Have gassed 116 dogs, because of sickness or because they were not wanted.

Have found homes for 24 dogs.

Have treated for sickness 22 dogs.

All dogs were kept from five days to two weeks before being disposed of.

Respectfully submitted,

GEORGE A. BENNETT,

Dog Officer.

Report of Assessors

Number of acres of land in Park Lakeside	6.75

Respectfully submitted, by Wakefield Assessors,

CHARLES A. CHENEY,

GEORGE H. STOWELL,

HUGH CONNELL.

Report of Planning Board

To the Honorable Board of Selectmen.
Gentlemen:

The Town Planning Board herewith submits to you its report for the year ending December 31, 1928.

The Board regrets that Mr. Leo A. Brissette has moved from Wakefield and severed his connection with the Planning Board. Mr. Brissette has, for a number of years, represented Greenwood on the Board and has served as its secretary. His spirit of public service and his interest in Town affairs have prompted him to give freely of his time and thought for the public good.

The Planning Board is pleased that the widening of Oak St., recommended in its general Town plan published in 1925, has been done at the Main St. end, and very nearly in conformity with its recommendation.

In Greenwood there is also needed a short new street 50 feet wide just south of the school, cutting from Greenwood Avenue to Main St. This would cut a very long block in two, facilitate circulation, and give a more direct outlet from the growing residential district east of Main St.

The rocky wooded area just back of the Greenwood School should soon become Town property. It has no great value as building land, but, set aside as a park, would be a decided asset to the neighborhood.

The Planning Board again wishes to emphasize that Main St. should eventually be 80 ft. wide from the Melrose line to Wakefield Junction. From that point, North Avenue should take the heavy through trucking and become an 80 ft. main throughfare to the Reading line. This is Wakefield's major main-artery problem. Action should soon be taken in Greenwood before the business section of Main St. is too permanently built up. Melrose suffers from a narrow main business street—Greenwood need not have the same handicap through the years, if it will soon see to it that its main business street is widened 80 feet.

The Town Meeting of 1928 authorized the purchase of the playground for the Water St. district by the Selectmen, with the approval of the Playground Commission and the Planning Board. The site suggested, near

the Pumping Station, was approved by the Planning Board, providing the area was increased. Through the generosity of the owner a large tract of land was added to the original site without adding to the cost. The selection of this site by the Town is especially wise, in that a beginning has thus been made toward what should eventually be a park strip through the valley of the Saugus River to the Saugus line as recommended by Mr. A. C. Comey in his plan of Wakefield, published by the Planning Board in 1925.

The Board is pleased that a comprehensive surface drainage plan has been prepared for the Town. It is hoped that in this connection the lowering of the Saugus River will be done very soon. This is an obvious and relatively simple and inexpensive method of draining the swamps in the east of the Town.

The Planning Board has been in consultation with the School Committee in the comprehensive school and playground survey which it is now preparing. In that connection, it is important that when Pleasant St. is extended north to Lowell St., it should be 60 ft. wide.

Inasmuch as the railroad bridge at Linden St. is about to be repaired or replaced, the Planning Board calls attention to its suggestion of 1925, at which time a plan was submitted to the Board of Selectmen showing Merriam St. carried through to Greenwood St. The bridge is only part of a larger improvement and should be considered in connection with the whole scheme.

The subject of insurance rates in the business center of the Town is now a live one. The recommendation of the Planning Board made in 1925, in which a plan for a new and secondary business street, east of and parallel with Main St., is again called to your attention. With the very limited area of expansion of Wakefield's business center, such a new street should be laid out before land values are increased, and long before the need of additional store space is felt. This new street would give the Fire Department ready access to the rear of all East Main St. and Crescent St. property, and materially reduce the fire hazard.

Regarding Lake Quannapowitt, land on the westerly shore of the lake has recently come upon the market. The Planning Board has always recommended that the Town should acquire privately owned land on the lake front. It is earnestly hoped that the Town will immediately purchase the property now available. This land, lying between the lake and what will some day be the Quannapowitt Boulevard, should be owned by the Town and become part of its park system. If purchased now, the price will be much less than when the boulevard is put through. The unsightly filling process can be carried on and completed before the boulevard brings the general public into this area. With a dyke of clean gravel along the lake shore, the back land can be temporarily used as the west side Town dump without polluting the waters of the lake.

On the south shore of the lake, the property at the end of Spaulding St., lying along the shore a distance of 300 feet, should be taken by the Town. This could be developed for bathing. One of the best gradually sloping sandy beaches on the lake is located here. The land, together with the old boat house, can now be purchased at a reasonable price, and with a proper bath house erected, the bathing problem of our lake would be solved very satisfactorily.

Respectfully submitted,

E. M. BRIDGE, *Chairman*,
WILLIAM G. ROBERTS,
T. FULTON PARKS,
FRANK T. WOODBURY.

Report of the Municipal Light Board

To the Citizens of the Town of Wakefield:

We submit herewith the Thirty-fifth Annual Report of the Department which is for the year ending December 31, 1928 and we are pleased to tell you that we have had another satisfactory year.

You will find a balance sheet, a statement of income and expenses of the Gas Department and of the Electric Department and a Profit and Loss Statement appended hereto.

The Manager's report, together with certain recommendations for the year 1929 you will also find appended hereto.

It is gratifying to report that the Electric Department was operated at a profit of \$45,629.32 and the Gas Department at a profit of \$14,262.01.

Effective February 1928, the gas rate for consumption of 1000 cubic feet or more was reduced from \$1.70 per 1000 feet to \$1.65 net and again on July 1, 1928 from \$1.65 net to \$1.60 net. As of January 1, 1929, the rate becomes \$1.55 net.

April 1, 1928, the rate for electricity was reduced from 7 cents net to 6½ cents net and on January 1, 1929 the rate becomes 6 cents net.

It is hoped that both the gas and electric rates may be further reduced.

During the year a substantial amount of the Depreciation Reserve was used for new gas mains and at the close of the year this fund amounted to \$19,434.80.

Continuing the policy announced last year to replace the high pressure gas system as rapidly as circumstances would warrant, we have replaced all of the high pressure mains in Montrose and a few other places with low pressure mains of ample capacity. This plan we hope to continue until the high pressure system has been wholly replaced. In all, during the year, 43,665 feet of new mains were laid.

This policy, together with much attention to leaks in the gas distribution system has resulted in a much more efficient system, and, we believe, in much more satisfactory conditions for the consumers.

We plan to ask the Town for only \$18,000 for street lighting service for 1929, which is the same price that has prevailed for the years 1926, 1927 and 1928, despite many new installations during 1928 and more contemplated for 1929.

The books of the Department are in process of being audited by C. O. Huntington & Company, Certified Public Accountants.

It is our intention to again ask the Town at the annual spring meeting to authorize the transfer from Operation Fund to Construction Fund of the sum of \$49,340.54, the cash balance in the Operation Fund at the close of the year 1928. This, together with the unused balance in the Construction Fund and such amounts as are necessary from the Depreciation Fund, will eliminate the necessity of increasing bonded indebtedness for the fourth consecutive year.

It is once more pleasing to note a further reduction in bonded indebtedness from \$177,500 to \$163,500.

A further increase of net plant book value is shown with a figure of \$522,848.38 as compared with \$470,948.42 at the close of 1927.

We again ask your co-operation and pledge ourselves to serve you to the best of our ability.

Very truly yours,

MARCUS BEEBE, 2nd, *Chairman,*

A. STANLEY NORTH, *Secretary,*

CURTIS L. SOPHER, *M. D.,*

Board of Commissioners

Municipal Light Department.

MANAGER'S REPORT

January 2, 1929.

To the Honorable Board of Light Commissioners,
Town of Wakefield.

Gentlemen:

For your consideration, I am submitting herewith the Thirty-fifth Annual report of the Wakefield Municipal Light Department, showing conditions existing at the close of the year ending December 31, 1929.

------------------------------------	-------------

Before the ground opened for construction work, numerous changes were made in the buildings of the department on North Avenue, a meter room was constructed in the basement of the purifierhouse, having brick walls and concrete top, which forms the floor for a new and enlarged pipe shop in the upper part. In this meter room is installed the meter showing the incoming gas, which is bought, and a rotary meter, salvaged from the previous installation, is used ahead of the compressor showing the gas sent out under high pressure. The placing of this second meter is the first time the department has been able to know the real high pressure output.

All the above building was constructed from salvaged material about the plant, excepting sand and cement. The floor of the old condenser room was treated the same way, using salvaged I beams and reinforcing the 8" concrete floor with short lengths of old pipe which was recovered from various sources. The walls were then cleaned and painted, making a very great improvement for work shop and for storage.

The continuation of the scheme of changing high pressure to low pressure, started two years ago, was begun in April, with the laying of pipe in Vernon Street toward Lowell Street and thence to include the Montrose district in general, closing the circuit with a connection in Main Street at the end of Richardson Street. Other replacements were made in Broadway and Bartley Street, and a gas main was extended in Western Avenue from Elm Street toward Parker Road.

Due to changes in the street line of Oak Street at Main Street as far as Francis Avenue, new mains of larger capacity were laid, with a view to putting the Greenwood district into the low pressure area. In this district it is expected that with the extension of the Malden & Melrose Gas Company's lines all ready provided for, that connection may be made at this point, as a center of distribution with a meter house nearby, so that the necessity of pumping gas from North Avenue through Greenwood will be obviated. Already those changes from high pressure to low pressure, which have been made in the system, have shown a reduction in cost of maintenance and operation and the output at high pressure reduced from 50% of the total bought to 30%.

The electric lines which for some time have occupied both sides of Water Street from the railroad crossing to the Saugus line have all been transferred to the South side and the pole line placed in good condition.

A six duct conduit from the existing manhole at Wakefield Avenue and Water Street has been placed in Water Street parallel to the Edison conduit and continued to the existing manhole in Main Street at Water Street. All necessary leads for street lighting and services were run to the point of application in anticipation of underground connections and removal of all poles along Water Street from Main Street to Crescent Street.

The power service extended to the Water Department's pumping station on Broadway started early in February and has been successfully used in the operation of all the pumping for the Town, on electrically driven centrifugal pumps. This service is sold to the Water Department at cost of current to the Light Department.

At the widened crossing of Lowell Street and Vernon Street this department purchased and installed a four way automatic traffic signal. Numerous installations of street lights have been made on petitions submitted to the Board of Selectmen and referred to this department for action.

COST OF GAS

Cost of gas in Holder	\$70,744.20
Total gas purchased—cubic feet	97,920,265
Cost of gas in Holder per M cubic feet	.722
Total gas delivered to customers	82,853,000
Average cost delivered per M Cubic feet	\$1.49

COST OF ELECTRICITY

Cost of electricity at switchboard	\$60,272.20
Total electricity purchased K. W. hours	4,075,855
Cost per kilowatt hour	.0148
Delivered to customers—kilowatt hours	3,623,459
Average cost delivered to customer	\$.0358

SUMMARY OF NEW CONSTRUCTION—GAS

Total feet of mains laid (all sizes) feet	43,655
Total cost of mains	\$52,763.03
Total gas services (new)	83
Total cost of services	\$1,867.12
Cost of new meters	\$925.92
Gas meters purchased	102
In use beginning of year	3,523
Meters set	806
Meters removed	723
Meters in use end of year	3,606
Gain in meters	83

SUMMARY OF NEW CONSTRUCTION—ELECTRICITY

Street lights installed	67
Cost of new street lights	\$3,572.39
New transformers	44
Cost of new transformers	\$4,428.98

New poles set	53
Lines extended—feet	67,364
Electric meters purchased	229
Cost of new meters	\$2,148.12
Meters in use beginning year	4,088
Meters set	956
Meters removed	751
Meters in use at end of year	4,293
Gain	204

In conclusion I wish to thank the Board of Commsisioners for their hearty support as well as the help and co-operation of the employees of this department and the general public during the past year, which I appreciate has contributed so largely to the continued success and prosperity of this Department.

I am confident that our people fully appreciate that their continued good will and loyal support of this, their enterprise, will insure continued low rates, good service and substantial surplus.

Respectfully submitted,

SAMUEL H. BROOKS,

Manager Municipal Light Department.

Fire Alarm

January 2, 1929.

Municipal Light Commissioners,
Town of Wakefield.

Gentlemen:

The Fire Alarm system of the Town is in excellent working condition, several lines have been run, extending existing circuits to new box locations. Some renumbering of the old boxes has been made in consequence of these extensions.

There has been but very little trouble in open circuits during the year. A piece of cable leading to Greenwood has had to be renewed and some new lighting effects have been produced; that at Oak and Main Streets and at the corner of Albion and Main Street being the most noticeable.

It is recommended that some means of rapid connection between the departments of the Fire and Police be established.

The Department asks for the same amount of appropriation, namely \$2,700 be made for maintainance and repairs.

Respectfully submitted,

SAMUEL H. BROOKS,

Superintendent Fire Alarm.

Report of Town Treasurer

To the Citizens of Wakefield:

I herewith present my report for the fiscal year ending December 31, 1928.

TRUST FUNDS

FINAL STATEMENT

During the year 1929, the following time loans will fall due and are to be included in the tax levy of 1929.

High School	\$22,500.00	
Montrose School	1,000.00	
Woodville School	3,500.00	
Greenwood School	11,000.00	
Franklin School	9,000.00	
Metropolitan Sewer	7,000.00	
Extension of Sewer	18,000.00	
Highway	5,000.00	
		\$77,000.00
Water Loan	\$12,000.00	
Extension Water Mains Loan	4,000.00	
Water Loan, Acts of 1922	6,000.00	
Water Departmental Equipment Loan	3,000.00	
Water Loan	9,000.00	
All included in Water Dept. appropriation		
		\$34,000.00
Light Plant (paid from receipts of plant)		14,000.00
		\$125,000.00

There will also be required the following amounts to meet our interest payments.

High School	\$12,731.25	
Montrose School	405.00	
Woodville School	1,428.75	
Franklin School	3,760.00	
Greenwood School	5,884.38	
Metropolitan Sewer	4,165.00	
Extension of Sewer	7,858.75	
Highway	228.75	
Temporary Loans (estimated)	13,538.12	
		\$50,000.00
Water Loans (included in Water Department Appropriation)	\$7,937.50	
Extension of Water Mains (included in Water Department Appropriation)	560.00	
Water Loan Acts of 1922 (included in Water Department Appropriation)	2,037.50	
Water Departmental Equipment (included in Water Department Appropriation)	360.00	
		\$10,895.00
Light Plant (paid from receipts of plant)		\$6,622.50
		\$67,517.50

The borrowing capacity of the Town, on temporary notes in anticipation of 1928 revenue was \$879,088.82, as determined by the State Director of Accounts. Of this amount the Town borrowed the sum of \$500,000.00 and of this latter amount \$325,000.00 has been paid, leaving \$175,000.00 to be paid in 1929.

Respectfully submitted,

ARTHUR H. BOARDMAN,

Treasurer.

Report of Chief of Fire Department

To the Honorable Board of Selectmen.
Gentlemen:

I herewith submit my Annual Report of the Fire Department for the year ending December 31, 1928, with the total alarms together with their losses on same as near as possible to obtain.

APPARATUS

There are at the present time 8 pieces of apparatus in this department.

One Triple Combination purchased from the Seagrave Co., and put in service July 1924. This machine is equipped with a 750 gallon centrifugal type pump, 80 gallon water tank, 250 ft. of $\frac{3}{4}$ inch hose, 1,200 ft. of $2\frac{1}{2}$ inch hose, cellar pipe, stretcher and various other equipment.

One Double-bank 75 ft. Aerial Truck purchased from the Seagrave Co., Inc. Put in service December 1928. This machine is of the latest type having several new features which serve to increase the efficiency of same. Is equipped with Water-gun having 3 inch hose attached to 75 ft. aerial ladder, carries 379 ft. of ladders, 80 gallon water tank, 200 ft. $\frac{3}{4}$ inch hose, life net, stretcher, oxygen tank for resuscitation work, 75 gallon per minute water pump, and much other equipment.

One Pierce Arrow Combination put in service May 1927. This piece of apparatus built for a spare machine to replace such other pieces of apparatus of its type which may be out of commission from various causes has proved its value a number of times. Is equipped with 1,000 ft. of $2\frac{1}{2}$ inch hose, 200 ft. of $\frac{3}{4}$ inch hose, water pump and booster tank of 52 gallon capacity and various other equipment.

One Pierce Arrow Squad Wagon put in service 1926, and carries one 1,100 gallon water gun mounted, together with much other equipment which makes this piece of apparatus efficient for the many uses it may be called for.

One White Combination put in service 1920. Carries 1,000 ft. of $2\frac{1}{2}$ inch hose, 250 ft. of $\frac{1}{8}$ inch hose, chemical tank, and various other equipment.

One Buick Chief's car which has proved to be a valuable asset to the equipment of the department.

One Triple Combination at the Greenwood Station. Put in service at Greenwood in October 1924. Carries 1,000 ft. of 2½ inch hose, 200 ft. of ¾ inch hose, chemical tank and much other equipment.

There is in reserve 1 steam fire engine—the Amoskeag put in service in 1907.

RECORD OF FIRES

During the year the department has responded to 273 alarms divided as follows: 208 Still alarms, and 65 Box alarms. The Box alarms and the Still alarms which involved loss are as follows:

Wednesday, Jan. 4, 1.14 p. m. Box 48. Dwelling house owned and occupied by Estelle M. Glynn. 12 Lakeview Ave. Cause: Child playing with matches in cellar. Loss \$45.

Thursday, Jan. 5, 10.45 a. m. Box 23. 171 Albion St. Apartment Block owned by Ellen McManamin. Cause: defective chimney in cellar. Loss: \$708.

Saturday, Jan. 7, 9.13 p. m. Box 61. North Ave. Grass fire, north of Wakefield Coal Supply Co. office. Cause: probably set by boys. No damage.

Tuesday, Jan. 31, 12.31 p. m. Box 35. 443 Main St. Owned by Charles J. Klapes and occupied as candy mfg. on first floor and tenement house on second floor. Cause: Gas in closet of dwelling blazing. Loss: small.

Monday, Feb. 6, 7.07 a. m. Box 8. Called to aid the Town of North Reading to combat fire in McLain Wagon Shop. Seagrave Engine No. 1 responded with 12 men and gave valuable assistance.

Monday, Feb. 6, 10.41 a. m. Box 313. 58 Melvin St. Small storage shed owned by Antonio Martino. Cause: unknown. Loss: small.

Tuesday, Feb. 7, 11.52 a. m. Box 325. False alarm. Pulled by small boy.

Monday, Feb. 20, 8.04 p. m. Still alarm. Corner Pleasant and Otis streets. Ford Coupe owned by J. Zanni, Beach St., Reading, Mass. Cause: alcohol fumes from burst radiator ignited under hood. Loss: small.

Saturday, Feb. 25, 9.05 p. m. Box 352. 38 Yale Ave. Dwelling house owned and occupied by George Sanborn. Cause: blazing soot in chimney. No loss.

Wednesday, Feb. 29, 11.52 a. m. Box 12. Greenwood Union Church. Cause: sparks from chimney igniting wooden shingles on roof. Loss: \$43.75.

Friday, March 2, 2.50 p. m. Box 27. 72 W. Chestnut St. Dwelling house owned and occupied by George W. Killorin. Cause: sparks from chimney igniting wooden shingles on roof. Loss: \$295.

Sunday, March 4, 9.45 a. m. Box 48. Corner Bay State Road and Main St. About 3 acres of grass land burned over. Cause: burning and lost control. No damage.

Sunday, March 4, 11.33 a. m. Box 117. 16 Spring St. About 7 acres of grass land burned over. Cause: sparks from locomotive. No damage.

Tuesday, March 6, 11.52 a. m. Box 46. Off Vernon St. About 15 acres of brush land burned over. Cause: Unknown.

Sunday, March 11, 10.55 a. m. Box 39. 185 Vernon St. Dwelling house owned by John J. Warchol. Occupied by several families. Cause: pan of fat ignited. No damage.

Monday, March 12, 5.28 p. m. Box 15. False alarm pulled by two small boys.

Tuesday, March 13, 6.25 p. m. Box 35. 447 Main St. Business block owned by William T. Curley. Cause: blazing soot in chimney. No damage.

Tuesday, March 20, 5.10 p. m. Box 351. 42 Richardson Ave. Apartment House owned by Miss E. E. Boit. Occupied by Eugene P. McDonald. Cause: overheated furnace pipe in cellar. Loss: \$58.65.

Thursday, March 22, 12.02 a. m. Box 17. 4 Oak Ave. Dwelling house owned and occupied by Sidney S. Watts. Cause: unknown. Loss: \$1,565.

Sunday, March 25, 11.14 a. m. Box 14. Corner Main and Hanson Streets. Auto truck owned by Benjamin N. Spracklin, 2 Howard St., Greenwood, Mass. Cause: gasoline fumes ignited from careless smoking. No damage.

Wednesday, March 28, 3.25 p. m. Box 25. Off Morrison Ave. About 1½ acres of grass land burned over. Cause: burning old paper. No damage.

Friday, March 30, 7.24 a. m. Box 35. 9 Avon St. Apartment house owned by M. P. McLaughlin. Cause: sparks from chimney ignited roof. Loss: \$2,152.20.

Sunday, April 1, 10.17 p. m. Box 19. False alarm.

Monday, April 2, 11.46 a. m. Box 17. Off Shady Ave. About ½ acre of brush land burned over. Cause: careless burning.

Wednesday, April 4, 11.53 p. m. Box 7. Engine Co. No. 1 responded to aid City of Melrose for fire at B. & M. R. R. Station.

Saturday, April 7, 12.57 a. m. Box 16. Off Oak St. About ½ acre of brush land burned over. Cause: incendiary. No damage.

Saturday, April 7, 9.55 a. m. Still alarm followed by Box 263 at 10.04 a. m. Off Hopkins St. About 5 acres of grass and brush land burned over. Cause: burning paper blown by wind ignited grass. No damage.

Saturday, April 7, 2 p. m. Still alarm followed by box 316 at 2.09 p. m. Off Nahant St., near Castle Rock. About 3 acres of brush land burned over. Cause: camp fire left unextinguished.

Sunday, April 8, 6.33 p. m. Box 117. 74 Myrtle Ave. Dwelling house owned by Cora E. Mildram. Occupied by G. P. Robertson. Cause: defective chimney. Loss: \$925.

Monday, April 9, 10.11 a. m. Box 6. Mutual Aid sent to Reading, Mass., answering box 15.

Thursday, April 12, 10.33 p. m. Box 6. Mutual aid to Reading, Mass., answering box 48, at Wakefield-Reading line.

Monday, April 16, 4.03 p. m. Box 35. 20 Avon St. Dwelling house owned by Louise E. Hawes heirs. Occupied by George H. Stone. Cause: electric flatiron igniting dresser and contents. Loss: \$150.

Wednesday, April 17, 3.55 p. m. Box 321. Rear of 98 Water St. Small storage shed owned by Camillo Benedetto. Cause: overheated oil stove. Loss: about \$25.00.

Wednesday, April 18, 11.34 p. m. Box 56. Off Grand Passway. About an acre of brush land burned over. Cause: incendiary. No damage.

Friday, April 20, 1.45 p. m. Box 118. Off Charles St. About $\frac{1}{2}$ acre of grass land burned over. Cause: set by boys. No damage.

Wednesday, May 16, 12.24 p. m. Box 351. 28 A. Richardson Ave. Dwelling house owned and occupied by George M. Tuttle. Cause: pile of shingles ignited on lawn and spread to house. Loss: \$120.

Wednesday, May 16, 1 p. m. Box 312. Richardson St. Dwelling house owned by Louise Apenese. Unoccupied. Cause: bonfire set by children ignited house. Loss: \$600.00.

Thursday, May 17, 1.53 p. m. Box 351. Albion St. Fruit store and dwelling house. Owned by Chas. Woodward's est. Cause: probably carelessly thrown cigarette butt on awning. Loss: about \$100.

Sunday, May 20, 7.40 a. m. 12 Madison Ave. Box 114. Dwelling house owned and occupied by Louis Hartley. Cause: spontaneous combustion. Loss: \$783.

Friday, June 1, 3.47 p. m. Box 321. Opp. 152 Water St. Small area of brush land burned over. Cause: set by children. No damage.

Tuesday, July 3, 11.02 p. m. Box 352. Rear of 100 North Ave. Roof of barn. Cause: firecrackers. Damage: small.

Wednesday, July 4, 2.33 p. m. Box 12. 770 Main St. Dwelling house owned by Willard Eaton. Occupied by Edmund Doucette. Cause: firecrackers ignited wooden shingles on roof. Loss: \$80.

Sunday, July 8, 8.18 p. m. Box 361. Main St. near Richardson St. Ford Coupe owned and operated by Joseph A. Coffey, 22 Otis St., Revere. Mass. Cause: careless smoking. Loss: \$15.

Wednesday, July 11, 11.24 a. m. Box 32. Corner Water St. and Columbia Road. Chandler Touring car owned by Joseph Longo. Cause: children dropped lighted match in gasoline tank. Loss: small.

Thursday, Aug. 2, 12.39 a. m. Box 6. Roadside stand at Wakefield-Reading Line. Occupied by LeNaud's Spaghetti Restaurant.

Saturday, Aug. 5, 2.59 P. M. Box 7. Engine No. 1 responding to box 71 at Melrose Highlands, under Mutual Aid System.

Saturday, Aug. 11, 10.58 a. m. Box 263. High St., Stoneham, Mass. Wooden hay barn owned by Warren F. Scott. Barn was in Stoneham.

Tuesday, Aug. 14, 2.16 p. m. Box 51. New Salem St. dump. No damage.

Wednesday, Aug. 15, 8.58 a. m. Box 12. 771 Main St. Business Block and Apartments. Owned by David Sherman. Occupied by several stores and families. Cause: Sparks from steam shovel ignited wooden shingles on roof. Loss: small.

Friday, Aug. 17, 1.42 p. m. Box 35. Corner Main and Mechanic Streets. Business block owned by A. G. Walton. Cause: careless use of plumbers candle. Loss: small.

Friday, Aug. 24, 5.03 p. m. Box 15. Chrysler Sedan owned by Ruth Gates, 11 Sherman Road. Cause: clogged filter pipe on carburator. Damage: slight.

Sunday, Sept. 2, 10.55 a. m. Box 241. Frank St. Storage shed for oil, gasoline pump house, and truck, owned by Morris Burwin. Cause: unknown. Loss: \$2,500.

Saturday, Sept. 15, 3.56 p. m. Box 12. 760 Main St. Dwelling house owned by C. B. Wenner. Occupied by John Svenson. Cause: Children playing with matches. Loss: small.

Sunday, Oct. 7, 10.54 a. m. Box 32. 34 Columbia Road. Tenement house owned by Charles Marino. Occupied by several families. Cause: careless smoking.

Friday, Oct. 12, 7.52 a. m. Box 18. 564 Main St. Ford Truck. Owned by Crystal Ice Cream Co. Cause: overflowing of gasoline on hot exhaust pipe. Loss: small.

Thursday, Nov. 8, 8.33 a. m. Box 114. 7 Francis Ave. Dwelling house owned and occupied by John J. Round. Cause: children playing with matches. Loss: small.

Thursday, Nov. 8, 2.59 p. m. Box 351. 28 A. Richardson Ave. Dwelling house owned and occupied by George M. Tuttle. Cause: hot ashes. Loss: \$280.50.

Saturday, Nov. 10, 11.38 p. m. Box 7. Engine Co. No. 1 responding to aid City of Melrose for fire in Berwick Block.

Monday, Nov. 12, 8.11 a. m. Box 343. 21 Lincoln St. Tenement house owned by Crozier Latimer. Occupied by 3 families. Cause: hot ashes. Loss: \$1,102.

Wednesday, Nov. 14, 12.12 p. m. Still alarm. 38 Park Ave. Dwelling house occupied by E. E. Ulrici. Cause: curtains ignited by match. Loss: \$14.70.

Saturday, Nov. 24, 12.24 p. m. Box 6. Engine Co. No. 1, responding to box 122 at Reading, Mass., under the mutual aid system for a fire off Haven St.

Tuesday, Dec. 4, 11.10 p. m. Box 43. 32 Wave Ave. Dwelling house owned and occupied by Flora M. Kelso. Cause: unknown. Loss: \$671.

Sunday, Dec. 9, 12.11 a. m. Box 314. 75 Valley St. Dwelling house owned and occupied by Dominie Cardillo. Cause: rag on top of heater smouldering. No. damage.

Saturday, Dec. 22, 10.42 p. m. Box 35, followed by third alarm at 10.50 p. m. 467 Main St. Business block owned by S. A. Singer. Occupied by several stores on first floor, with offices on second floor. Fire originated in cellar of the Leader Store, operated by Abraham Bernstein. Cause: undetermined. Loss not including Leader Store contents, \$16,882.60.

Wednesday, Dec. 26, 4.28 p. m. Box 361. 500 Main St. Bowling Alleys. Owned by Crystal Investment Co. Occupied by George McConville. Cause: careless disposal of cigarette butt. Loss: \$15.

Sunday, Dec. 30, 1.56 p. m. Box 62. North Ave. Pile of sawdust on site of former Boston Ice houses. No damage.

Estimate of property endangered	\$405,675.00
Loss on same	29,371.40
Insurance on same	438,000.00
Insurance paid on same	29,371.00
Transit value	9,300.00
Transit loss	25.00

CONCLUSION

In closing this report I wish to return my sincere thanks to the Honorable Board of Selectmen for the interest manifested by them in all matters pertaining to this department during the past year.

To the various other departments who have rendered valuable assistance to the Fire Department during the past year.

My thanks are also due to the Officers and Members of the Department for the prompt and faithful discharge of their duty during the past year.

To the Department Physician, Dr. Curtis L. Sopher for his valuable aid to injured members of this department.

Respectfully submitted,

FRED D. GRAHAM,

Chief of Department.

Report of Inspector of Wires

To the Honorable Board of Selectmen.
Gentlemen:

I herewith submit my Annual Report as Inspector of Wires in compliance with the vote of the Town, 1922.

There was a total of 712 inspections made. All defects found were made to conform with the National Code.

Respectfully submitted,

CHIEF F. D. GRAHAM,

Wire Inspector.

Report of Forest Warden

To the Honorable Board of Selectmen.
Gentlemen:

During the year 1928 there was a total of 117 woods and grass fires.

Respectfully submitted,

CHIEF F. D. GRAHAM,

Forest Warden.

REPORT OF THE TRUSTEES OF THE LUCIUS BEEBE MEMORIAL LIBRARY

The Trustees of the Lucius Beebe Memorial Library herewith present the seventy third annual report for the calendar year 1928.

It is with genuine pleasure that the Trustees again report a continued increase in the use of the Library by the citizens of Wakefield. This very evident appreciation of the public is a constant inspiration to the Trustees and it is their desire to extend the services of the Library in every possible way.

With this aim in mind, the policy of close co-operation with the schools has been continued, displays of works on various subjects have been arranged, lists of books on timely topics have been distributed, the column "Your Public Library" has been continued in the Daily Item and various other steps have been taken to acquaint the public with the opportunities for educational as well as entertaining reading which the Library affords.

New shelves have been added in the Children's Room and in the balcony, the latter to be used for the picture collection. Other minor changes in shelf arrangements have been made for the greater convenience of the public. Since all of these changes have been made necessary by the increased use of the Library, the Trustees have been very glad to comply with the demands.

It has again been the good fortune of the Library to receive substantial gifts. In June the Trustees accepted for the Town a Trust Fund of \$2,000 from Mrs. Sylenda Beebe Stearns and one of \$5,000 from Mrs. Eleanor H. Beebe. Both of these funds are to be administered by the Wakefield Trust Company. The income is to be spent for books. In July, \$5,000 was received from the estate of Mrs. Katherine E. Beebe of Melrose, this sum to be added to the capital of the Decius Beebe Fund. Again this year, the Mothers' Club has given \$10 to be spent for books of benefit to mothers.

In addition to these gifts of money, there have been generous gifts of books, magazines and flowers as well as the loan of a Grandfather clock owned by the Wakefield Historical Society. Mention should also be made of the continued friendly interest of Mr. Harris M. Dolbeare, publisher of the Daily Item.

In February a letter was received from the Greenwood Parent-Teachers' Association asking that the Branch Library be open on Saturday afternoons in order that the children might have an opportunity to exchange

their books in the daylight. Arrangements were made at once for this increase in service; and in September the Monday evening opening started, thereby making the hours uniform on each day the Branch is open. A low table and small chairs for the children have been added to the Branch equipment and it is a delight to see the enjoyment of the little folks in these added comforts.

The steady gain in circulation in the Greenwood Branch has been noted with much interest. An analysis shows a decided increase in the call for non-fiction books, a most desirable trend. Periodicals, too, have advanced in circulation. Perhaps it would not be amiss to tabulate here the circulation in Greenwood for the month of December 1927 and 1928.

Adult

	1927	1928
Non fiction	86	250
Periodicals	52	141
Fiction	1,128	1,551
	<hr/>	<hr/>
	1,266	1,942 gain 676

Juvenile

Non fiction	243	527
Periodicals	24	50
Fiction	834	902
	<hr/>	<hr/>
	1,101	203 (Easy reading for very young children)
		<hr/>
	1,101	1,772 gain 671

These figures indicate to the Trustees that the time is coming when increased facilities will have to be provided for the Greenwood Branch.

There have been some changes in the staff during the year. In April, Miss Adelaide Whittier resigned to enter the employ of the Old Colony Trust Company. Miss Whittier had been working chiefly at the Greenwood Branch so that her resignation together with the ill health of Miss Olive Eaton, left the Greenwood Branch practically vacant. In May, Miss Clara G. Wilson was engaged as Branch Librarian. Miss Wilson has had much library experience and in addition is naturally an enthusiast in whatever she undertakes. The increased activities at the Branch are largely due to her resourceful service.

At this time the Trustees wish to express their appreciation and their thanks to Miss Helen F. Carleton and to all her staff for their willing and helpful co-operation.

In looking over the latest annual report of the Board of Free Public Library Commissioners of the Commonwealth of Massachusetts for the year 1927, some interesting figures are noted. The five communities with a population similar to Wakefield (1925 census) that is, between fifteen and sixteen thousand, have in their Libraries a per capita circulation of from one to seven books, with an average of four. Wakefield in the same year, 1927, showed a circulation of ten books per capita.

In 1928 the school deposit circulation for the year is 6,822, the Greenwood Branch circulation is 34,197 and at the Main Library 134,277, making a total of 175,296 which is an increase of 15,879 over the year 1927.

It would seem from these figures that Wakefield is making very good use of the facilities offered by the Library.

For the year 1929 the Trustees recommend for the Library appropriation, the sum of \$22,500.

FLORENCE BEAN,

Secretary.

REPORT OF THE LIBRARIAN

To the Library Trustees:

A year of progress and growth is the Library record for 1928. During the year the material borrowed totals 175,296 books and pamphlets, an increase of about 10% over the total of 1927. This means that for every inhabitant of Wakefield there has been a loan of 11 books, if the 1925 census figures of Wakefield's population are used. Taking as the population the unofficial estimate of 17,000, the total circulation shows an average of 10 books for every man, woman and child in the Town. Such an average ranks high in the whole country.

These figures are the only statistical record available to mark the service of the Library. Since 1923 the first year of the Library in this building, there has been a gain of 65% to date. The gain the preceding five years was 39%.

Such a growth may well arouse the question of quality versus quantity. A public library has certain standards below which books are not admitted. Above that, who shall say which type of books is the most useful? While a novel is often read for entertainment or to "while away" a boresome hour, it may frequently provide the relaxation or stimulus needed for creative work. Despite this truth, an analysis of more serious reading among adults (as shown by their borrowings) might well be considered in connection with the question of quality in the Library's service and growth. The loans of books on some subjects of this nature are therefore given for the years 1926, 1927, 1928. The figures for the Main Library, the Greenwood Branch and the totals, together with the percentages of increase are all included for comparative purposes.

Literature:

	<i>Main</i>	<i>Greenwood</i>	<i>Total</i>	<i>% Increase</i>	<i>1928% Increase over 1926</i>
1926:	2983	70	3053		
1927	3388	127	3515	15%	
1928	4217	231	4448	26%	45%

Biography

1926	1470	115	1585		
1927	1942	109	2051	30%	
1928	2338	240	2578	25%	62%

History and Travel

1926	2317	88	2405		
1927	2883	197	3080	28%	
1928	3498	477	3975	29%	65%

"Useful Arts,"—Engineering, agriculture, domestic science, business, transportation.

1926	1262	34	1296		
1927	1380	32	1412	9%	
1928	1880	127	2007	42%	54%

The total circulation in 1928 was 27½% higher than that in 1926. As the percentage increase in loans of the more serious books is so much larger than the percentage increase of the total for the same periods of time, it is apparent that the growth has not been made at any sacrifice of quality.

In the Juvenile Department, the work includes not only the direct contact with the boys and girls in the Children's Room but also the library contact through the work with the schools. Collections have been sent three times during the school year to the class rooms in six schools. From all but three of these class-room libraries the children borrow books to take home. In 1928, over 1450 books were sent to the schools for this purpose and the total circulation was 6,822. The more extensive work with the schools necessitated a separate school collection. During the summer this collection was prepared and now contains 800 books, about one third of which were new purchases; the remaining two thirds were volumes withdrawn from the Children's Room. To help in the work with the children at the Main Library, necessary new shelving was installed in the Children's Room.

Again this year, the pupils have come to the Library to learn about the "keys" which will show them how to use its resources. Questions on the use of the catalogue, indices and of a few reference books were given out at the meetings of the classes and answered before the close of the periods. At Greenwood the pupils came to the Greenwood Branch Library.

This Branch Library has undergone a period of changes during 1928. Miss Eaton's health did not permit her to continue work there and in March Miss Whittier resigned. After a session of temporary help, Miss Clara G. Wilson of the Springfield Public Library came here to become the Branch Librarian.

Additional shelving had been installed earlier in the year and this fall a low table and chairs for the little folks have been added to the equipment of the Branch. Miss Wilson's own exhibits of Life in Colonial times and Christmas in Eskimo Land have been the most popular of the many

displays held this year at the Branch. It is now open three days each week in the afternoon and evening. Semi-weekly deliveries to this Library provide close contact with the resources of the Main Library. The circulation for the year has increased one-fifth; the outstanding item of this increase is that of the adult loans. Books other than novels total in 1928 more than twice as many as the corresponding book-loans in 1927—from 739 to 1,709, a gain of 970. Such a type of gain would seem to indicate an increasing library contact with the interests of the community.

To assist in satisfying the increased demands upon the library, 5,100 books have been added. About 1,600 of these are replacements of books worn out or duplicates of books much in demand; 180 are gifts. There have been 1,500 books rebound and 36 volumes of magazines have also been bound. Among the new purchases are valuable additions to our gardening collection and that of town historical material. The Library now has 38,324 volumes as well as its collections of pamphlets and pictures.

The majority of these new titles have been included in the quarterly numbers of the Library Bulletin. "Ships," "Indian folklore," "Fairy-tales and folklore," "Gardens and gardening," "Child Welfare," "Suggestions for entertaining," "Arts and crafts," are the titles of the lists issued during the year. The largest publication of the Library during the year is entitled OUTDOOR BOOKS. Under the general heading "Along the trail" are listed books on nature and natural history, animals, birds, fish, astronomy, geology and botany; "In the Out-of-doors," is the heading under which are found the books on camping, fishing and hunting, mountaineering and motoring, outdoor games and sports—both for winter and summer. This book was published at the suggestion of Mr. W. S. Ripley, a member of the Library Board, who with his committee assisted in its preparation.

The co-operation and generous allowance of space for Library news in the Wakefield Daily Item are outstanding and much appreciated.

An extension course on *Correct Speech*, a Mothers' Club course on *Child Welfare*, and *Health* lectures provided by the Kosmos Club, as well as meetings of the Historical Society and Executive Board of the Kosmos Club have been held in the Lecture Hall this year.

The Library was fortunate in having as visitors this year, two prominent authors who graciously came and gave of their time and talents. In April, Mrs. Cornelia Cannon, author of the recent novel, *Red rust*, spoke to the Staff on the creative writing and told us of the methods of various authors in writing as well as some of her own experiences. In November, during Book Week, Mrs. Sara Cone Bryant Borst, story teller and author, gave a talk in the Lecture Hall for parents and teachers on speaking and story telling; she also told some of her own stories.

During Book Week, also, the local Moving Picture Firm kindly ran a slide at all their performances to announce the exhibit of children's books held at the Library—as suggestions for book gifts to children.

A miniature Fairyland,—the fanciful creation of Miss Brooks of Medford and a loan to the Library from Miss Ida Cannon of Cambridge, excited much admiration. Unabated interest was shown in this year's exhibit of small soap sculptures from the National Small Sculpture Committee.

During the summer, redecorating of the smaller rooms in the Library and some necessary painting was done.

Simmons College sent a senior and a junior here this year to secure their required practice library work.

At Christmas time a reading of Henry Van Dyke's "*The other wise man*" accompanied by the showing of colored slides, was given before a large audience of attentive children. On Christmas Eve the trumpeters and carollers gave a brief but beautiful program on the steps of the Library.

The enlarged services of the library have only been made possible through the interested efforts and loyal co-operation of every member of the Staff.

It is with true appreciation I acknowledge the encouragement and support I have received from the Trustees by their active and interested participation in all library matters.

Respectfully submitted,

HELEN FRANCES CARLETON,

Librarian.

Report of Highway Engineer

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit a report covering the operations of the Highway Department for the year ending December 31, 1928.

GENERAL HIGHWAYS

Appropriation (August)	\$105,000.00
Appropriation (March)	4,500.00
Refund	47.75
Total	\$109,547.75

The following is an explanation of Expenditures:

Superintendent	\$3,000.00
Clerk	785.00
Vacations	1,227.00
Office	266.63
Auto	778.10
Garage and Yard	154.67
White Wing	974.50
Patrol (Patching)	10,696.98
Snow and Ice Removal	5,251.25
Street Cleaning	2,395.65
Cleaning Catch Basins	763.31
Tar and Sand	16,993.41
Rebuilding	22,132.63
Sidewalks	23,641.12
Drainage	3,149.87
New Equipment	4,903.90
Sand Shed	2,483.25
Repairs to Equipment	3,205.69
Gas, Oil, Tires, Tubes	2,469.84
Coal	283.59
Betterments	3,990.36
	\$109,546.75

WATER STREET CONSTRUCTION

Appropriation		\$3,000.00
County Aid		2,896.21
State Aid		2,896.21
		<hr/>
		\$8,792.42
Labor	\$3,578.28	
Trucking	1,272.90	
Material	3,837.46	
	<hr/>	
		\$8,688.64
		<hr/>
Balance		\$103.78

OAK STREET CONSTRUCTION

Appropriation		\$8,000.00
Labor	\$3,285.01	
Trucking	12.75	
Material	2,378.44	
Land Damage—Paid	37.00	
	<hr/>	
		\$5,713.20
		<hr/>
Balance		\$2,286.80

Water Street from Melvin Street to the Boston & Maine Railroad tracks was rebuilt this year with State and County Aid, each paying one third of the cost of construction. This road is a 7" bituminous road of permanent type, 24 feet in width. The old road on either side of the new construction was utilized and patched where necessary and sealed over with the new road. This makes a permanent type road for a width of 34 feet or from curb to curb.

The widening and rebuilding of Oak Street was started in 1928. The widening done during the year was confined to the south side of the street between Main Street and Francis Avenue with the exception of the northerly corner at Main Street which was rounded on a curve with a radius of 44 feet. The widening done this year consisted of 2,780 square feet taken from Flora A. Bowdlear; 1,520 sq. ft. taken from the Town of Wakefield, Engine No. 2; 915 sq. ft. from William J. G. Conohan; 435 sq. ft. from Frank D. McKay and 115 sq. ft. from Jane E. Cochrane. Granite curbing was laid from a point beginning on Main Street, which point is 60 feet south from the previous intersection of Main and Oak Streets, to Francis Avenue. A granolithic sidewalk was laid from this point on Main Street to about the easterly boundary of the Engine House property. It was necessary to excavate to a depth of about three feet and remove loamy earth. This

was replaced with gravel. Approximately 130 cubic yards of ledge was removed from in front of the property owned by William J. G. Conohan. A granite curbing and granolithic walk was laid around the curve at the northerly intersection of Main and Oak Streets. It was necessary to build a retaining wall at the southerly intersection of Main and Oak Streets on the property of Flora A. Bowdlear. Considerable grading was done on this property. Four walks from the sidewalk to the house were relaid with cement. The two car garage at the rear of the property was raised 30 inches and a new driveway built into it. The south side of the street being considerably lower than the north side, it became necessary to install a new runway into the house of Engine No. 2. The lawn between the sidewalk and the building was raised and re-graded.

The following streets were resurfaced with an application of tar and sand:

Cordis Street.

Central Street from Pleasant St. to Court St.

Sweetser St.

Wave Avenue from Pleasant St. to Vernon St.

Lawrence Street from Pleasant St. to Vernon St.

Salem Street from Pleasant St. to New Salem St.

Wharton Park.

Vernon Street from the Lynnfield line to Otis St.

Emerald Street.

Park Street.

North Avenue from Church Street to the Reading line.

Elm Street from Prospect Street to the Reading line.

Wakefield Square from the Rockery to the Boston & Maine Railroad Crossing

Emerson Street.

Cedar Street.

Cedar Court.

Fairmount Avenue.

Summit Avenue.

Morrison Avenue.

Morrison Road West.

Sheffield Road.

Prospect Street from North Avenue to Stoneham line.

Shumway Circle.

Converse Street.

Gould Street.

Upper Gould Street.

Byron Street.

Bartley Street.

Broadway from Lake Street to Albion Street.

Lake Street.

Richardson Street.

Bennett Street.

Traverse Street.

Nahant Street from Main Street to Saugus line.

Farm Street.

Oak Street from Green St. to Nahant Street.

Green Street from Main Street to Oak St.

Oak Avenue.

Hillis Avenue.

Orchard Avenue.

Greenwood Avenue from Oak St. to Pitman Ave.

Pitman Avenue.

Madison Avenue.

Francis Avenue.

Warren Avenue.

Grafton Street.

Greenwood Street from Main Street to Melrose line.

Crystal Street.

Cooper Street.

Hanson Street.

Grove Street.

Humphrey Street.

Renwick Road from Hanson St. to Melrose line.

The following streets received an application of heavy oil.

Parker Road.

Valley Street.

Preston Street.

Richmond Street.

Spring Street from Myrtle Avenue to Stoneham Line.

Myrtle Avenue from Greenwood Street to Spring Street.

SIDEWALKS

Fairmount Ave.— Upon the east side of the street from West Chestnut Street to Hillside Avenue granite curb and granolithic sidewalk was laid.

Renwick Road— From the Melrose line to No. 48, granolithic sidewalk was laid. The curb on this job was installed in 1927.

Parker Road— A granite curb and granolithic sidewalk was laid from Eustis Avenue to Davidson Road.

Bartley Street— Granite curbing was laid from Lake Street along the granolithic sidewalk which was installed in 1927.

Armory Street— Two circular corners were installed at the driveway leading to the rear of the High School.

Shumway Circle— Granite curbing was laid in front of the residence of Howard M. Tuttle.

Emerson Street— Granolithic sidewalk and granite curb was laid from West Chestnut Street to and including property of Brewer at No. 32 Emerson Street.

Gould Street— Granolithic sidewalk and granite curb was laid in front of No. 62-64 Gould Street.

White Avenue— Granolithic sidewalk and granite curb was laid in front of the residence of Frederick H. Byrnes.

Albion Street— Granite curb and granolithic sidewalk was laid in front of the Grattan Baking Company's store on Albion Street.

- Water Street—** Granite curbing was laid the entire length of the south side from the Boston & Maine Railroad tracks to Melvin Street.
- Main Street—** Granite curbing with a cinder sidewalk was laid from the Greenwood Station to the Greenwood Bridge on the westerly side of the street.
- Main Street—** Curb was reset on the west side of the street from the Common to opposite Lawrence Street. A sidewalk of cinders with a stone dust top was also installed.
- Main Street—
Lakeside** Curbing was laid the entire length of Beebe's Cove. The retaining wall along the lake was re-capped with a cement top and a cyclone wire fence erected. The sidewalk was constructed with gravel with a stone dust top.

The north and northwesterly corners at the intersection of Vernon and Lowell Streets were cut away and widened. The northwesterly corner was cut back a distance of about 40 feet on a long curve with a radius of 125.13 feet. The northerly corner was cut back a distance of approximately 33 feet on a long curve on a radius of 100.63 feet. After the widening was made the roadway was resurfaced with a 7" bituminous top.

The corner of Main and Lowell Streets on the property of Arthur G. Walton was cut back a distance of about 38 feet. The street line now at this corner is on a long curve with a radius of 111.11 feet. This corner was built with a 7" bituminous top. The excavation taken from this corner was used for fill on the shore of the lake near the outlet.

Valley Street from Water Street to Nahant Street was scarified, shaped and graded and an application of heavy oil applied.

Myrtle Avenue from Greenwood Street to Spring Street was graded, graveled and an application of heavy oil applied.

Broadway from the Railroad tracks to Foundry Street was rebuilt with a light penetration road. The remainder of the street from Foundry Street to Albion Street was graveled and tarred.

Highland Street was graded and a heavy dose of tar and pea gravel applied.

Morrison Road West from Prospect Street to Sheffield Road was graded and graveled and a dose of heavy tar applied.

The car tracks on Main Street from Nahant Street to the Melrose line were patched.

The taking across the abandoned railroad track between Preston Street and Richmond Street was dug out during the year and the road bed was sub-graded. In 1929 it will be necessary to surface this connection between the two streets.

Lakeview Avenue, Sherman Road, Pine Ridge Road and Curtis Street were excavated and sub-graded during the year. These streets will have to be completed in 1929 in order to assess betterments.

A Chevrolet Coupe was purchased for the use of the Highway Superintendent.

A metal building, manufactured and erected by the Wakefield Garage Manufacturing Co. was built at the rear of the Highway lot on North Avenue. This building is used for storage purposes.

Warning Signs denoting a School Zone were set up at the High School, Lafayette School, Prospect Street School, Hurd School, Montrose School, Woodville School and the Greenwood School.

Warning signs denoting a curve were placed on the curve on Lowell Street about midway between Vernon Street and the head of the Lake, on Green Street on curve near Shady Avenue; on Nahant Street at curve, easterly from Valley Street.

About 125 new street signs were erected, some of which replaced worn or broken signs.

A new road machine was purchased from the New England Road Machine Co.

A new mixer for mixing cold patch was purchased from Waldo Bros.

Two engines were purchased for the operation of the gravel plant.

On December 31st, 1928, the department had a total of \$2,067.05 in unpaid bills.

I wish to express my appreciation for the support given me by the Board of Selectmen, as well as the co-operation of the heads of the various other departments.

Respectfully submitted,

HAROLD S. POWELL,

Highway Engineer.

Report of Dept. of Public Welfare

The Public Welfare Department respectfully submit their report for the year ending December 31st, 1928.

1st. We wish to thank all individuals, societies and organizations, who have so generously contributed to our department with money, shoes, clothing, etc.; particularly are we grateful for the donations and the services rendered by different citizens during our giving out dinners and shoes and clothing at Thanksgiving and Christmas time.

We have had during the year at the Town Infirmary 20 inmates and at the present time there are twelve, several having been confined to their bed, much care and attendance having been required.

Milk, vegetables and wood have as usual been given out to the needy.

The management of the Town Infirmary has been conducted in a most efficient manner by Superintendent and Matron Mr. and Mrs. Melvin W. Brown.

Willard B. Atwell, 94 West Chestnut Street

Secretary to the Superintendent

Harriet A. Foster, 15 West Water Street

Office, High School Building. Hours: 8 to 12 and 1:30 to 5.

Monday Evening 7 to 8. Saturday 8 to 12. On Wednesday and Friday the office is open until 5:30 P. M.

Office telephone 0122. Superintendent 0363. Secretary 0074.

Regular Meetings of the School Committee: Second and fourth Fridays of each month at 7:30 P. M. at Committee Rooms.

Report of the Public Schools

This report is a compilation by the Superintendent of Schools of the reports which have been submitted by the principals, and by the heads of the different departments of the system.

From time to time, mention has been made of the housing conditions in both High School and in the grade buildings. The Committee has anticipated the need of additions to existing buildings or the construction of new schoolhouses; and in order to get a thorough understanding of the conditions and needs, the Committee requested the Superintendent to make survey of the present buildings to ascertain what would be needed in the way of additions or new buildings, and if possible, the order in which they might be needed. Accordingly, the Superintendent has spent a considerable amount of time during the past year in making a survey of the present housing conditions and has rendered a separate and full report of his investigations together with recommendations for a school building program which will give relief to both the grades and to the High School which will cover a period of years. As this report has been given in detail, it is not necessary to repeat it here.

The program of testing under-aged children for admission to Grade I has now covered a period of four years. A careful check has been kept on all pupils who have entered on this test. The following table shows the results.

Total number of children tested for admission	251
Total number of children admitted	90
Number who passed but did not enter	4
Number who left school during first year because of illness	7
Number who have received double promotion	2
Number who are now in an A division	52
Number who are now in a B division	21
Number who are now in a C division	1

Group intelligence tests are given to all children in the elementary schools and to some in the High School. From the results of these tests, we learn the average ability of a group of children and what to expect from that group in the way of achievement. These tests also help in diagnosing the needs of individual children, for when they show results which are not in keeping with the achievement of the child, individual tests are given and the results of these help us to help him make a better adjustment.

The Stanford Achievement Test, which is a battery of tests in various elementary school subjects, was given in February 1926, and again this year. The results of these tests show a general improvement throughout the school system, and that, in general, the achievement equals the mental ability.

During the past two or three years, follow-up work has been carried on with those children who are 10% or more underweight; and the record has been sent to the Sanatorium at Westfield at the end of the year. Under this heading the School Nurse reports that 12 of this group were recommended for re-examination. In November, the State Clinic visited Wakefield and examined some of these children. The following table shows the report returned to us:

Number of children recommended for re-examination	12
Number of children re-examined	6
Number of children who refused to be re-examined	1
Number of children who had left school or moved away	5
Number of children who were found improved in 1927	4
Number of children who remained improved	2
Number of children who had tonsil and adenoid operation	1
Number of children unimproved	0
Number of children who went to summer camp	1
Number of children who had dental work done	5

The School Physician states that besides the regular examination of pupils, many have been examined at the request of the school nurse, the teacher, or the pupil or his parents. Seven hundred seventy-five notices of defective teeth have been sent home and an almost equal number of deciduous teeth has been noted. Notices of enlarged or infected tonsils numbered about 400; this usually included adenoids. "As previously noted in my reports, this class (underweight) is by no means restricted to any nationality or social status, except that it is definitely greater among girls than among boys in the High School age group. In the first year high group examined this fall, 46 girls were 10% or more underweight, while only 9 boys were so found. In other defects the girls outranked the boys, having only about one-half as many decayed teeth or diseased throats. The question of weight is so closely bound up in matters pertaining to dress and personal preference that statistics are misleading, but on the whole it is probably definitely established that tuberculosis will claim a greater number among the underweights than among the normal or above."

The High School Principal reports that enrollment in the High School at the beginning of the year was as follows:

	<i>Boys</i>	<i>Girls</i>	<i>Total</i>
Post Graduates	2	2	4
Seniors	55	83	138
Juniors	84	107	191
Sophomores	114	129	243
Freshmen	144	139	283
Totals	399	460	859

Last year the enrollment was 826. In the last five years the enrollment has increased from 612 to 859, or by 247 pupils

"Under the existing crowded conditions it is seldom that a pupil can study in a study room, but he must study in a recitation room. This year for the first time I had to limit the number of pupils taking free hand drawing and typewriting I. I had twelve girls who desired to take drawing but I could not make room as all classes were filled, so twelve girls who were not going to Normal School had to omit drawing. In typewriting I, there were twenty-three more pupils desiring it than I could accommodate, so arrangements had to be made so that all commercial pupils could take it and the others could not.

During the year our school library received books from The Boit Home, Mr. and Mrs. W. S. Ripley, Ancient History Clubs, Charles H. Howe Memorial Fund, and Harry Foster Fund in addition to those obtained from the School Committee. This is very gratifying to us. I hope that the School Committee will appropriate \$200 each year for reference books for the

library. Our library is one of the most important departments in our school and we want it to become more so each year.

The Class of 1928 presented to the school as their Class Gift, a piano, which is in the library. This gift is greatly appreciated as now we have the Girls' and Boys' Glee Clubs and the orchestra rehearse in the library instead of the auditorium. This makes it possible for the Basketball teams to practice immediately after school, where, hitherto, they had to wait until the rehearsals of the various musical clubs were over.

We have many clubs that interest pupils, but the two most active in school are the Hi-Y Club and the Inter Nos Club. Every fall these Clubs help very effectively in guiding the freshmen about for the first two weeks. Also at Thanksgiving, the Inter Nos Club prepares three dinners for needy families and at Christmas the Hi-Y club gathers gifts for needy children.

The girls do not participate in inter-school sports now, but devote all the time to inter-class sports. In this way we have twice as many girls participating and I believe more good is accomplished.

Our main task is scholastic and I believe the results obtained are very satisfactory. Our pupils who enter college by examination or by certificate do very well in college, and they tell me that their high school preparation is very good. Those pupils who took examinations under the College Entrance Examination Board did very well. Of the 127 pupils who graduated last June, 52 went to higher institutions of learning. I believe it is a very high percentage."

The following is an excerpt from the report of the principal of the Evening School. "There has been a decided change in the makeup of the Evening School classes within the past three years. Up to that time the largest number of pupils were found in the adult alien classes. Due to the more stringent immigration laws there has been a decided decrease in the number of aliens entering the country, and consequently a decrease in the number entering these classes. At the same time there has been a gratifying interest shown by our native born in the commercial and practical art classes. This has been particularly true of the practical arts division. We now have two classes in cooking, four in dressmaking and one in millinery. The enrollment for this group is 115. The commercial classes are also well attended.

Whereever it has been warranted, combinations of classes have been made. The beginners and intermediate groups of adult aliens were combined this year. The illiterate minor class is one which will be eliminated in a short time. A combination of this class with the slower ones of the advanced grammar group has been made.

The State Supervisor of Americanization has been anxious to establish factory classes here. I have given some time and study to the situation here and I do not feel that conditions at the present time warrant the expenditure of the money necessary to put these classes over. Factory classes were tried when the Americanization program was at its height in Wakefield and I believe, were never very successful. I believe, however, that a mother's class would be worth much if started."

The Physical Director has supervision of all physical activities all the schools. He has an assistant who takes complete charge of all the girls in the High School, and another who works with the lower grades and with the girls of the upper grades.

Through the co-operation of Miss Bent we were able to eliminate outside competition for the girls. We have always felt that we would rather have a larger percentage of the total number of girls in the school engaged in some form of athletics than to have a championship team or teams which would mean that the benefits would be derived by a few. There is no question but that it was a success and we had more than enough girls playing to make up ten teams whereas under the old plan we could use but twenty-two girls.

This has also brought about the organization known as The Inter Nos Club which is organized to assist Miss Bent with the teams and to promote a spirit of clean competition and sportsmanship in games.

Lessons for the grades are carefully selected and work is being unified. It seems that there is much more co-operation between the classroom teachers and the teacher working in the different grades. This no doubt will help to put the lessons across 100% and the pupils will derive full benefit from them. This year the schedule of the teacher working with the grades has been carefully arranged so that it is possible for her to help each grade every two weeks. Of course, we hope to be able to help them every week and go over their problems but this can only be accomplished by additional teachers.

Through the courtesy of Mr. Russell, of the Y. M. C. A., we are using their gymnasium for the eighth grade girls' gym classes. We also have permission to use the gymnasium for eighth grade basketball which is ably handled by Mr. Crane of the Lafayette School.

An exhibition of the work being done in the schools was presented before the public on the Common in early June. This proved entertaining and educational, especially to a group who feel that Physical Education is just a lesson in strong muscles and freakish accomplishments. We feel that a good brain cannot function to its capacity unless it be accompanied by a strong, healthy body and feel that this strong, healthy body cannot

be sustained except through the education in exercise and health training.

A new system of banking is being tried in three of the schools. The Savings Bank sends a representative to the school to take care of the money brought by the children for deposit. Each depositor has a coupon book. The coupon has a space for the date, name of the pupil, name of the school, amount deposited, and amount of balance. There are spaces on the inside covers for records of deposit. When the amount of the deposits equals a dollar, the amount is transferred to a regular pass book. With the exception of the first two grades where the coupons are filled in by the teachers before school on the day set aside for banking, the pupils fill in their own deposit coupons. These are left, together with the money on the teacher's desk. The bank representative comes into the room, takes the coupon and money and credits each individual for his deposit. This is done very rapidly and does not interrupt the work in any one room for more than three to five minutes. When the bank representative leaves the school, banking is done for the week.

This system is proving very satisfactory for two important reasons:

1. The pupils come in direct contact with bank officials.
2. A great deal of time is saved for both teachers and principal.

The Greenwood School has done the most business in banking during the past year. The amount of their deposits was \$2,158.34; of this \$2,068.76 was transferred to pupils' accounts. Fifty-five new pass books were issued to pupils in this school.

Safety education is being given in all buildings. A Junior Safety Council has been in operation in the Greenwood School for a year. The Council consists of an organization with a president, vice-president, secretary, treasurer, active and associate members. The qualification for membership is to accept and memorize the Council's pledge. The meetings are held after school hours under parliamentary rules. The Parent Teachers' Association and the Greenwood Community Association have, to date, provided the funds for the Safety Council's work.

Because of a decrease in enrollment at the Hamilton School, we closed three rooms and transferred the pupils to the Warren School. One teacher was placed in the Warren School and the others moved to fill vacancies in the Franklin School. This made a net saving of two teachers. One room in the Hamilton School has been used for an opportunity class, leaving two rooms in this building which are not being used.

APPROPRIATION NEEDED

The School Committee will ask for \$304,700 this year for the appropriation, dividing it as follows:

Salaries	\$255,500
Books and Supplies	12,000
Fuel	14,500
Contingent	18,000
Evening School	4,100
Transportation	600
Total	\$304,700.00

RECEIPTS

In connection with the appropriation, it is interesting to note the amount of the receipts which come to the Town, through the School Department. All of these receipts enter the Town Treasury and are not available for school purposes.

The following is our estimate of receipts for next year:
From Commonwealth

Amount based on number of teachers employed, their training and salary	\$24,990.80
State Wards	2,109.22
Practical Arts	583.22
Americanization	566.50
Smith Hughes	149.88
Tuitions	
Lynnfield	11,065.00
City of Boston	664.50
Stoneham	335.00
Saugus	1,676.00
Individuals	996.50
Total	\$43,136.62

HARRY B. ALLMAN, *Chairman,*

IDA FARR MILLER, *Secretary,*

J. WILLIAM O'CONNELL, *Treasurer,*

LEO A. ROGERS,

JOHN B. SAWYER,

School Committee.

CLASS MOTTO

"Conquering and Still to Conquer"

Class Colors

Blue and Gold

CLASS SONG

"Conquering and still to conquer"—
What a brave theme for a song;
What a spur for hearts that falter
When the paths of Life seem long

"Conquering and still to conquer"—
May we heed its noble call
May we tighten up our armor,
Bid new courage come to all.

"Conquering and still to conquer"—
Helped by school-day memories dear,
Of the many fruitful lessons
We were taught so kindly here.

"Conquering and still to conquer"—
Now at last our watchword bold,
On a snowy-white escutcheon
Blazoned deep in words of gold.

Words by Ruth Parker, '28

Music by Margaret Moore, '28

Report of Recreation Commission

The Playground season for the youngsters of the town was started on July 2nd under the supervision of Mr. William J. Dempsey and with the assistance of Miss M. Louise Leopold, Miss Frances Purdy and Mr. Richard Scanlon.

The youngsters were regular in their attendance with the daily average of about five hundred. Many parents were on hand each day. A program was adopted which kept the children busy each day and each week certain objectives were attained. Supervised play was held each day and athletic teams were formed for girls and boys. During the season the Playground Athletic Tests were given and close to two hundred children were awarded certificates and medals. Weekly Novelty Contests were held on Friday afternoons and they proved to be an incentive to the kiddies to be at the playground regularly.

Hand craft work was held under the direction of Mr. Dempsey and Miss Leopold. The boys confining their efforts to kite-making and airplane-making. Over one hundred kites were made and about fifty miniature planes. The Glider contest in Boston opened with four Wakefield entrants. The Contest for "Duration of Flight" was won by one of the Wakefield boys. Other hand work such as cart-repairing, stilt-making and poster work was given the boys. The girls had a fine exhibit of their work. Many pocketbooks, Dolls, Doilies etc., were made and placed in the downtown windows.

Talks on First-Aid, Story Telling, and topics which the youngsters enjoyed were given. Folk Dancing was taught by Miss Purdy who also handled the girls' Tennis, Volley ball and Baseball teams. Mr. Scanlon had charge of the boys' athletic teams and series were played with and won from Reading, Melrose, Stoneham and Malden.

Checker Tournaments were held weekly as also were Quoits. The Beanbag board was continuously in use. Many children enjoyed the Sandboxes. A Field day was held and races were held in divisions according to the age of the youngsters. A Demonstration was planned but inclement weather caused its postponement. However on the last day of the season although raining once more the activities were held in the Boat-House.

The co-operation of the members of the Recreation, with the Instructors was a pleasure to them. Every member of the Commission visited the Playground often and helped in every way possible. With the coming of another season we hope to expand a little with a new playground and keep the youngsters happy during their vacation from school.

Respectfully yours,

WILLIAM J. DEMPSEY,

Playground Supervisor.

The accounts of the Treasurer have been examined and agree with the Accountant's books, (Cash balances have been verified by bank statements.) All permanent and temporary loans cancelled during the year by the Treasurer have been examined and found as reported.

I take this opportunity to thank the Honorable Board of Selectmen, and all other Town officials who have co-operated and assisted in the work of this department.

Respectfully submitted,

HARRY A. SIMONDS,

Town Accountant.
